Mary Morgan LUCKY'S OWN HOME ECONOMIST. That old slogan about a chicken in every pot making a lot of people happy will certainly apply this week, except it will be TWO chickens in a baking dish, with plenty of parsley-mustard gravy to serve with mashed potatoes, rice, dumplings or baking potatoes. Done completely in the oven, there's no stove-top splatter and no pot-watching to contend with. Pick up your FREE copy of our ELEGANT OVEN BROWNED CHICKEN at your favorite LUCKY STORE this week!
