

## Church of Christ Has Family Night Program

A series of Bible classes, graded to accommodate the entire family, is being presented at the Congregational Church of Christ of Redondo Beach by Dr. C. T. Walberg and the Rev. Samuel Walberg.

Children's classes and instructors are: grades four, five and six, Dr. Walberg; seventh and eighth graders, James Andrian; first, second and third graders, Mrs. Samuel Walberg and Mrs. James Andrian; and pre-school children, Mrs. Jean Jackson.

A doctrinal series of studies based on the Apostles Creed is being conducted by Mr. Walberg for high school students. Activities begin with a pot-luck supper at 6 p.m., followed by Bible study until 7:15.

ADULTS MEET in four separate sessions. Classes and instructors are: "Christian Patriotism and Communism," Air Force Captain Richard Armour; "Teacher Training," Bob Thomas; "Evangelism and Visitation," Oscar Johanson; and "Book of Leviticus," Mr. Walberg.

The family night program will continue each Wednesday until June 9 from 7:30 to 8:30. Enrollment is open to the public, and a nursery is provided.

## Field Trips Successful, Reports Botanic Garden

Four schools are participating in an evaluation study of field trips for upper elementary grades at the South Coast Botanic Gardens, according to Mrs. Frances Young, founder and president of the South Coast Botanic Garden Foundation.

The hour-long tour features careful observations of the large-scale soil-making project now under way, study of ground cover plantings, and observations of the more than 1,000 species of ornamental plants. Students also search for evidence of insect, bird, and animal life.

Preparation outlines used by teachers in advance of field trips are prepared by Mrs. M. Gertrude Woods, educational specialist for the County Department of Arboreta and Botanic Gardens. Students take soil samples and plant specimens back to the classrooms.

## Church Awards Members for Long Service

Special ceremonies to honor members with more than 20 years of service were held at Harbor City Foursquare Church. Honored were Mrs. Norma Tyler, Jessie Bray, Lorene Snyder, Louise Carlson, Victor Piles and Irene Haelbaker.

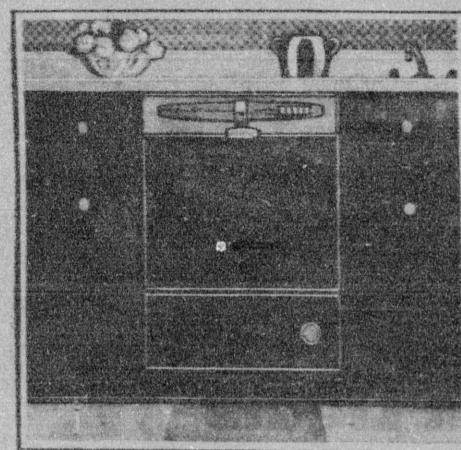

An award was presented also to the Rev. Marion Piles and George Piles for their 24-year leadership.

Volunteer leaders, trained by Mrs. Woods, supervise the field trips. Mrs. Kenneth Norris and Mrs. Marie Kaplan, both of the Palos Verdes Peninsula, are on hand to assist during the trips.

Mrs. Young said the first returns indicate the field trips are a success. Inquiries from a number of surrounding schools have been received, she added. Increased promotional work is under way to provide facilities for a complete youth education program, including children's gardens, horticulture workshops, and additional field trips, Mrs. Young concluded.
