Come in and pick out the one you want. We'll tell you its age. But you don't have to tell a soul. It'll be our secret . . .

## "LIQUID SUSPENSION GOES BACK TO INDY!"

### MG "Liquid Suspension"—So good in '64 we're back again in '65!

Last year only 33 cars qualified at the Indianapolis "500"—two were MGs. Only 13 finished, one was an MG. The MG Liquid Suspension Special is a revolutionary racing machine built around a wholly new suspension system that has been proven over and over in the 5 passenger MG Sedan—MG's liquid suspension keeps the car firm on the road and flat on the turns—never needs servicing. Isn't it time you tested the MG yourself?
