**MG** "LIQUID SUSPENSION GOES BACK TO INDY!"

**MG "Liquid Suspension"—So good in '64 we're back again in '65!**

Last year only 33 cars qualified at the Indianapolis "500"—two were MGs. Only 13 finished, one was an MG. The MG Liquid Suspension Special is a revolutionary racing machine built around a wholly new suspension system that has been proven over and over in the 5 passenger MG Sedan—MG's liquid suspension keeps the car firm on the road and flat on the turns—never needs servicing. Isn't it time you tested the MG yourself?
