

## Metropolitan Conference Honors Long Beach Coach

Long Beach City College football coach Jim Stangeland, who built the No. 1 junior college football team in the nation last season, has been named the recipient of the annual Metropolitan Conference's James K. Cossmann Coach of the Year award for 1964-65.

The Cossmann Trophy is presented annually in memory of the late James K. Cossmann, former football coach and athletic director at Santa Monica City College and an inspirational figure for many years.

To win the award, a Metropolitan Conference coach must meet the following criteria: 1. Inspiration to young men. 2. Leadership. 3. Integrity. 4. Sportsmanship. 5.

Competence as a coach; not necessarily a winner, but one who best uses his material. 6. He must be a coach in one or more Metropolitan Conference competitive sports.

This past season, Stangeland's Vikings were undefeated, winning the Metro title and swamping Cameron, 28-6, in the Junior Rose Bowl game.

(Past winners: John Joseph of Santa Monica (1961-62); Dave Kamanski of Cerritos (1962-63); and Louis Sanclimente (1963-64) of San Diego City College.

## Scores at Ascot Oval

Veterans of Ascot Park's criss-cross ARA Figure 8 stock car fender-busters will have their work cut out for them Sunday when a host of newcomers furnish new competition.

Qualifying laps open the program at 6 p.m., but hitherto top favorites such as "Wild Man" Leon Garrett of Lawndale, Nick Thomas of Gardena, Eddie Sauer of Redondo Beach and Troy Still are having troubles at the 183rd and Vermont track.

Last Sunday another newcomer hit the win scene. Vernon Toms of Bell grabbed the checkered flag in the 20-lap main and also won the trophy dash.

## Lonnie Butts To Enter Race

Lonnie Butts of Torrance will defend his class championship in the second annual Hot Rod Magazine Drag Racing Championships June 18-19-20 at Riverside International Raceway.

sprinkling system.

"Jackman's Fence" separates the major and minor fields.

Prior to the current season President Ralph Avakian engineered the substitution of crushed brick in-fields for the more troublesome sandy soil, and John Johnson completely paneled the upstairs.

After the league obtained an electric scoreboard from Volkswagen for the major field, Bob Hirschberg and Jerry Senkus built one themselves for the minor field.

Seniority at Tordondo goes to Bob Hultgren, a 10-year manager and league umpire, and Glen Tibbets, manager and field maintenance chief.

Eight major teams, 12 minor teams and a school system show an enrollment of 350 boys in the league. The first half of the major schedule ended in a fourway tie for first place, each with a 7-4 record. It has something to do with the atmosphere of the ball parks.

## Luncheon To Honor Robinson

A testimonial luncheon for former baseball great Jackie Robinson will highlight the county-wide observance of "Jackie Robinson Day" Wednesday on June 16.

Warren Dorn, former school mate and long-time friend of the athlete will be general chairman of the luncheon and the dedication of a county park bearing his name.

The luncheon is scheduled for 12:30 p.m. at the Biltmore Hotel in Los Angeles and is open to the public.

Los Angeles Dodgers personnel who played with Robinson when the team was in Brooklyn will also participate in the day's festivities, as well as former team mates from his football days at the University of California at Los Angeles.

Robinson, a member of baseball's Hall of Fame, starred in athletics at Pasadena City College and UCLA before he became the first Negro to play major league baseball.

He was present in the latter part of 1963 when ground was broken for the ten-acre local park in Littlerock, Antelope Valley.

Luncheon reservations can be made by writing to Joe Pollard, 869 Hall of Administration, 500 W. Temple Street, Los Angeles.

Durant and Peterson; Benedict and Martin.

## Recreation Halted for College Finals

Scheduled community recreational activities at El Camino College will be discontinued Monday for one week. Al Greenleaf, acting assistant director of physical education, announced today.

Activities in the pools, weight room, handball courts and women's and men's Gyms will be suspended for the week of final examinations.

Facilities will be opened again for the summer program which begins Monday, June 21.

## 100-Lapper

Daring Dick Fries, the San Diego dandy, goes after his third straight win on Ascot Park's rugged half-mile, dirt track Saturday night at 8:30 p.m. with probably the largest field of entries ever to be carded for a 100-lap California Racing event.

Qualifying one-lap spins open the program at 7 p.m.

CRA president Walt James anticipates an entry list of more than 45 cars, by far the biggest sprint car entry to be seen at Ascot in many a moon.

## Research Vessel Voyages 600 Miles From Coast

The Department of Fish and Game's 100-foot research vessel N.B. Scofield is reported some 600 miles at sea southwest of San Pedro in 64 degree water in its quest of eastward-migrating schools of albacore and determine their route as they approach California.

The ship, which will stay at sea for a month, is now on a northwest tack heading for the same general area that a seagoing tug caught an albacore two weeks ago.

Last year a similar tug made a longfin catch in the same area. Experts hope this is a further indication there will be an earlier, bigger, incloser season this summer.

The Scofield has been joined by two other ships from the U.S. Bureau of Commercial Fisheries in the search. All three vessels will range up to 800 miles off-

shore from Monterey Bay on the north to Guadalupe Island on the south.

Past tagging studies have revealed that the Pacific albacore is the fish world's greatest migrant and probably the fastest. Fish tagged off California have been recaptured off the coast of Japan nearly 5,000 miles away.

Traveling in a straight line they would have had to average over 17 miles a day to arrive when they did.
