

## EC Youths Engage in TV Series

Students of El Camino College will participate in a nationally-syndicated television show scheduled for broadcasting during the summer through fall months. The program, "Men at the Top," will open in the middle of July with Mike Vance, founder of "Future Executives of America," as producer.

The format of the program calls for students to interview successful executives who started at the bottom and worked their way to the top of their professions.

El Camino students participating in the program are Tim Irvin, Associated Student president for the fall and spring semesters, 1964-

1965; Ernie Hutchings, Associated Student vice-president for the spring semester, 1965; Ray Barthel, Mike Corner, Craig Thompson, Maureen Sullivan, Judy Jones, Anne Alston and Doug Anderson.

## Road Work Starts in Dominguez

Work is slated to begin this week on a \$10,000 improvement of portions of Bataan Avenue, 218th Place, and 218th Street in the Dominguez area, Supervisor Burton W. Chace reports.

The Board of Supervisors has authorized the project, which will include drainage facilities as part of the county's road maintenance program.

Motorists are requested to drive with caution in the construction area, Chace said.
