a new...remarkable...
luxurious, continuous
filament carpet fiber

Looking for today's biggest value in broadloom? We've got it! It's made of Herculon* polypropylene olefin fiber and that means it gives you more depth, more luxury—more fiber actually—plus colors that can't fade, easier care, longer life. Wall-to-wall or room-size, you'll love it! Exciting decorator colors, too. Come in and see the beautiful array.
