

HERE SUNDAY . . . The Harmonalres, a musical group from John Brown University, Siloam Springs, Ark., will appear Sunday at the Congregational Church of Christ, Emerald and Broadway, Redondo Beach at the 8:15, 9:30 and 10:45 a.m. services. A four-year, fully accredited university, John Brown was founded by Evangelist John E. Brown Sr. in 1919.

Lesson Theme Sunday Given

How each individual discovers the "kingdom of heaven" is the underlying theme of a Bible Lesson on "Christian Science," which will be read at Christian Science churches on Sunday.

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read: "The great miracle, to human sense, is divine Love, and the grand necessity of existence is to gain the true idea of what constitutes the kingdom of heaven in man." Included in the Bible readings will be a verse from Habakkuk: "For the earth shall be filled with the knowledge of the glory of the Lord, as the waters cover the sea."

HARBOR BAR
The Harbor Bar Association will meet Friday at the Jump 'n Jack restaurant, 2900 Pacific Coast Highway. The cocktail hour will begin at 6:30 p.m. and dinner at 7:30.

We bring Crawford's Scotch over in barrels, bottle it here and sell it for \$4.79 a fifth.

How's that for making a \$7.00 Scotch taste better?
