## We sell some funny looking used cars, too.

We sell mostly new VWs. But because business is so good we find ourselves selling used ones, too.  
 Most of them are trade-ins from first time customers coming back for seconds. We really didn't expect to see them for 5 or 10 years. But then some people are creatures of habit. They trade every 2 or 3 years whether they need a new car or not.  
 Come in and see some of our recent VW trade-ins. They look as funny as the day they were new.
