serve to about \$2.5 million, a figure which is considered a minimum for the Torrance district.

**CUTS RECOMMENDED**  
Monday involved reductions in the number of new employees requested by the schools and a reduction of \$616,000 in the district's capital outlay budget.

Dr. Hull actually recommended a slash of more than \$1 million, but several additions were made following approval of a salary increase and several new programs by the board a week ago. Those changes added slightly more than \$140,000 to the preliminary figures.

Trustees have until July 1 to adopt a tentative budget. They are expected to take a closer look at the program of expenditures during meetings in May and June.

## 'Seven Nuns' Opens Friday at St. James

Natalie E. White's "Seven Nuns at Las Vegas" will open Friday evening at the St. James Parish Hall, Vincent Street and Broadway in Redondo Beach, for a three-week-end run. Performances will be presented each Friday, Saturday, and Sunday through May 1.

Produced by St. James Parish Council of Women, the play is being directed by Barbara Vrooman.

The story revolves around seven nuns who suddenly find themselves just outside Las Vegas — and there's no explanation of how they got there or why they're there. During the play, many changes occur in Las Vegas and the secret of how the nuns arrived is revealed.

Roles of the seven nuns will be portrayed by Caroline Kelly, Ardath Carron, Martha Klingberg, Dolores Haber-

man, Joan Slick, Grace Nar-done, and Jacqueline Shan-non.

Others in the cast include Mary Klick, Noel Fontaine, Edward Drapila, Anne Drapela, Linda St. Marie, and Barbara O'Neill.

Assisting Mrs. Vrooman will be Kay Pance, Marie Rizzo, and Rita St. Marie.

Curtain is 8:30 each evening. Reservations may be made by calling 379-1509 or 371-7258.

## George Vico Will Direct Brummel Senate Campaign

Torrance City Councilman George S. Vico has been named to head the Torrance campaign to elect Stan Brummel State Senator from the 32nd District.

Vico's appointment was announced by Brummel's general chairman, George D. Watson.

At the same time, Watson announced other community chairmen. They are: Manuel Lewis, San Pedro; James H. Ackerman, Long Beach; and Mrs. Fred H. Lorenzen and Mrs. Gerald Mulligan, co-

Chairmen, Wilmington.

Lewis is past President of the San Pedro Chamber of Commerce and Ackerman is a Long Beach attorney. Mrs. Lorenzen and Mrs. Mulligan have spearheaded many community activities in the Wilmington area.

Brummel is a member of the Los Angeles City Parks and Recreation and the Los Angeles Memorial Coliseum Commission. He has been active in 32nd District community affairs for many years.

## Powder-Puff Pilots Plan Flights as Fund Raisers

"Give us your two cents worth" will be the slogan of local women pilots during their first fund raising flight activities at Torrance Municipal Airport Saturday and Sunday, May 7 and 8.

The pilots, members of the Long Beach Chapter of the Ninety-Nines, Inc. will exchange airplane rides for donations of two cents per pound of individual weight according to the recent announcement by Mrs. Ellis O. Wagner (Judy) of Palos Verdes Estates, chapter chairman.

Exhibits and displays relative to general aviation will be added attractions for the public during the two penny per pound flights. Mrs. Irwin (Lee) of Torrance, static display chairman, has announced that both antique and modern examples of aircraft will be shown. For those who wish to experience a contrasting form of transportation, rides in antique cars, furnished by local citizens, will be available.

TORRANCE Municipal Airport will be the scene of the terminus of the 1967 Powder Puff Derby, the 21st anniversary of the event officially termed the All Women Transcontinental Air Race, reversing the usual West to East coast route.

The local chapter of the Ninety-Nines will again co-ordinate the South Bay area

"host" activities for this event in July, 1967 as they did for the Torrance start of the 1966 AWTAR.

Although termed the Long Beach Chapter, the membership comes from an area encompassing the entire South Bay area from Santa Monica to Long Beach.

THIS CHAPTER, organized in 1951, has been most active in sponsorship of the Powder Puff Derby having been responsible for four starts and one terminus since the first AWTAR in 1947. It is also noted for its many women pilots who have consistently placed in the first five winning positions.

As members of the Ninety-Nines, Inc., the international organization of licensed women pilots, these women spon-
