Road Work Under Way

Improvements on Carson Street from Dolores Street some 550 feet east and on Dolores Street from Carson Street 175 feet north of the intersection are under way, Supervisor Kenneth Hahn said today.

Pavement will be extended on both streets, Hahn said, to join curbs and gutters constructed by owners of adjacent properties.

"The completed project," Hahn said, "will increase safety, improve drainage, and

generally add to the operational efficiency of these sections of county highways."
