To Give Lecture

Lecture Slated in Redondo

Spiritual healing forces and their impact on human life will be explored at a public Christian Science lecture in Redondo Beach tomorrow at 8 p.m.

Paul Stark Seeley, a member of the Board of Lectureship of the First Church of Christ, Scientist, in Boston, Mass., will speak on the subject, "God, the Great Physician."

The lecture will be given at the First Church of Christ, Scientist, at 525 S. Broadway, Redondo Beach.

Dr. Seeley is a graduate of Harvard Law School and Princeton University and is a member of the bar in New York and Oregon. He was once associated with an engineering firm, but left that position to devote his full time to Christian Science healing.

Volunteer Instructor Needed Now

The brushes are ready, paint is mixed, and the canvas is cut.

But a group of Harbor Area senior citizens has not been able to touch brush to canvas.

The reason: the group still needs an instructor, someone to teach them the fundamentals of oil painting.

Mrs. Arthur R. Turner, executive director of the Volunteer Bureau of the Harbor Area, said the instructor need not be a professional teacher. "We need someone to give tips and help show these people how to get started and how to use the paint for best results," she explained.

Any person interested in devoting a part of his time—an evening or a morning, for instance—should call Mrs. Turner at TE 3-5227 any Monday, Wednesday, or Friday morning.

... Wilson

(Continued from Page 1) tial to the development of the educational program in the new nation.

MALAWI, Dr. Wilson explained, is located in southern Africa, between Rhodesia and Portuguese Mozambique. It is a stable nation which is seeking to improve the life of its people. Formerly Nasauland, the nation is part of a three-nation federation.

Following completion of the survey, Dr. Wilson will return to the United States by way of Bombay, Bangkok, Hong Kong and Tokyo.

Before leaving Malawi, however, he'll have found time to keep a promise to the children. Dr. Wilson got permission from his three girls to go to Africa, it seems, by promising to send home a chimpanzee.

Customs—and a chimpanzee—willing, he plans to keep that promise.

NEW DIRECTORS . . . Three of the five directors re-elected to the board of the Torrance Memorial Hospital Association examine the first preliminary sketch of a proposed new hospital complex. The three members are, from left, Mrs. Paul Loranger, Philip M. Halloran, M. D., and Mervin M. Schwab. Not shown are C. Nelson Rucker and Judge Donald Armstrong. All five will serve three-year terms.

Hospital Board Elects Members

Five directors of the Torrance Hospital Association were re-elected at the 46th annual meeting of the association.

The directors who were re-elected to serve three-year terms expiring in 1969 are Judge Donald Armstrong, Mrs. Paul Loranger, C. Nelson Rucker, Mervin M. Schwab, and Philip M. Halloran, M.D. Rucker was vice president of the board last year.

Mrs. Boris Woolley, president of the board of directors, pointed out that the structure of the Board is fixed by the by-laws, which require that five of the fifteen directors must be women, three must be doctors of medicine and seven shall be men who are not doctors.

SHE SAID the re-election of the five directors meets the requirements of the by-laws. Other members of the board are Eugene L. Cook, M.D., Henry W. Creeger, Mrs. Charles A. Curtiss, Mrs. John B. Melville, Glenn W. Pfeil, George W. Post, Dean L. Sears, Mrs. Pluma C. Whyte, and Howard A. Wood, M.D.

The membership of the association heard the Annual Report which showed that the Torrance Memorial Hospital increased its services to the community again last year. New developments during the past year included the dedication of the John W. Beaman Memorial Wing, which added 12 beds to the hospital, the adding of new parking facilities for the hospital on Portola Avenue, the beginning of preparation for a master plan program for the future development of the hospital, and a \$60,000 expansion and modernization of the Radiology Department.

THE HOSPITAL reported an operating income of \$1,708,921.24 and expenses of \$1,694,809.99. Payroll expenses for the more than 250 employees was \$1,076,776. A total of \$28,045.19 was spent for charity care and free service.

Reagan Headquarters Now Open in Torrance

Torrance supporters of Ronald Reagan's bid for the Republican gubernatorial nomination have opened a Reagan for Governor Headquarters at 1323 El Prado Ave.

John Wren, who serves as Torrance community chairman for the Reagan campaign, said the headquarters location was chosen because of its central location in the downtown business area and because of the ample off-street parking available to headquarters' visitors and volunteers workers.

The many activities planned for the headquarters began Tuesday night with a television party which featured Reagan's major television address "A Creative Society for California," according to Jean Wren, headquarters chairman.

Many fund raising events

are planned. Rummage sales, bake sales, and car washes will be held, Mrs. Wren said. Campaign paraphernalia, including bumper strips, pins, and pictures are being distributed by the headquarters.
