

CRUSHED PINEAPPLE is used for interesting texture in a sweet-sour ham glaze made exotic with soy sauce, vinegar and sherry. Decorate ham with flowers made of pineapple tidbits and cherries after glazing.

## Sweet 'n' Sour Glaze Complements the Ham

Planning a buffet? Serve popular ham, beautifully glazed and garnished with pineapple. The most popular glaze of all, and possibly the simplest, is pineapple syrup or juice with brown sugar.

A pinch of herbs or spice personalizes this basic glaze — a spoonful of mustard, some dill weed, cinnamon or thyme are complementary. For something new, try sweet and sour glaze.

### SWEET 'N' SOUR PINEAPPLE GLAZE

- 1 (1-lb. 4 1/2 oz.) can crushed pineapple
- 1 cup brown sugar, packed
- 2 tbs. soy sauce
- 1/4 cup cider vinegar
- 1/4 cup sherry
- 2 tsp. cornstarch

Combine all ingredients and simmer 5 minutes. Spoon small amount slowly over ham during last 45

minutes of baking. Makes about 3 cups glaze, enough for a large baked ham.

### CREME BRULEE WITH PINEAPPLE

- 1 cup milk
- 1 cup half and half
- 2 slightly beaten eggs
- 1/4 cup sugar
- Dash salt
- 1 tsp. vanilla
- 1/4 cup brown sugar (packed)
- 6 sliced canned pineapple

Heat milk and half and half to scalding. Combine eggs, sugar and salt; gradually stir in hot mixture. Cook over low heat until mixture coats spoon, stirring constantly. Add vanilla. Cool. Pour into shallow baking dish. When custard is thick and set, place baking dish in a larger pan and

surround with ice. Sprinkle with brown sugar. Broil until sugar is bubbly and melted. Chill until serving time. Serve over pineapple slices. Makes 6 servings.

## Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

Most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months!

In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
