Summer Camping Program Slated

One of the largest summer camping programs in the Southland will be operated this summer by the Torrance Family YMCA. The program includes camps for girls, boys, and a special family camp.

Girls 9 to 12 years of age will attend Camp Ocho, which will be open July 16 to 23. The camp, located in the mountains east of Los Angeles, will feature hiking, swimming, canoeing, singing, and other camp activities. Some openings are available.

Hume Lake will be site of a camp for boys 12 years of age or older. The first of its kind to be offered by the Torrance YMCA, Hume Lake Camp will feature such activities as canoeing, fishing, and exploring.

SEVERAL sight seeing trips to Cedar Grove, located on the Kings River, and to Grant's Grove in Kings Canyon are planned. A limited number of places are available for the program, which opens July 2.

For boys 13 years and older, the YMCA will offer a back pack trip along the John Muir Trail July 16-23. The

hike will begin at Tuolumne Meadows and end in Red's Meadow, 45 miles north of the starting point.

At the same time, another group of boys 12 years and older will be base camping in the Mammoth area near Rainbow Falls and Shadow Lake. The week-long event will include hiking, trout fishing, sight seeing, and campfire activities. The camp will be limited to 30 boys.

THIS YEAR, the family camp will be held at Yosemite National Park. Some 35 to 40 families will camp at the park and travel throughout the scenic area to visit such places as Yosemite Falls, Half Dome, and the Firefall at Glacier Point.

The family camp will be held from July 9 to 16 with Bill and Laura Lee Poser as directors.

The final camp adventure in July will be a grand tour of Yellowstone and Grand Teton national parks. The camp is for girls 14 and older and will be held July 2 through 13. Places for 10 more girls are available.

Complete information about the YMCA summer camping programs may be obtained by visiting the YMCA at 2900 W. Sepulveda Blvd. or by calling 325-5885.

Leland Hall to Host Art Class at Lomita Rec Center

Leland M. Hall, Lomita painter and poet who has been painting for many years will be the instructor for the new art class at Lomita Recreation Center.

Hall started in sculpture but changed to painting because of preference to color. For the last 10 years he has been teaching oil painting in his own studio. He has studied in various adult painting classes at both high school and college. Mr. Hall also studied with the late Jules Cowles the famous painter and motion picture character actor. More recently he has been studying with Orrin

White, the famous Pasadena Artist whose beautiful landscapes are world famous. White is also listed in Who's Who. Hall's work shows unmistakable influence of White.

HALL PLANS to start the course by following the White method of doing demonstration landscape while students copy. Hall will work slowly and supervise the work of each member of the class, explaining color, composition and technique. Special consideration and patience will be given to beginners, al-

though no member of the class will be neglected.

Hall is the founder and president of the Palette Art Club, he is a member of the Santa Monica Art Association, life member of the American Institute of Fine Arts, a member of the American Institute of Fine Arts, a member of Council of Traditional Arts Societies and a member of the Board of Directors South-west Los Angeles County Arts Council.

A registration fee of \$15 will be charged for the nine week course, payable in advance. No refunds to absence. The class will be offered

on Saturdays from 10 a.m. to 3 p.m.

Class Set for School Employees

Maintenance electrician Utah Kemp of the Torrance Unified School District will attend an audio-visual service school to be conducted by Bell and Howell Co. in Glendale July 27 through 29.

The course will deal with overhauling, testing and trouble shooting of motion picture projectors.

Poem About Flag Wins Top Honors

A freckle-faced, red-headed 11-year-old Torrance girl has become the first local youngster to have her work published in the national children's magazine "Jack and Jill."

Kelly Moore, a sixth grade student at Hickory Elementary School, was honored by the magazine's West Coast office on the television program "Mr. Wishbone" last week.

Her poem "The United States Flag" is published in the June issue of the magazine.

The daughter of Mr. and Mrs. R. J. Moore of 2904 W. 229th St., Kelly has been asked by the magazine to submit more of her work. Oldest daughter in a family of nine children ranging in age from 3 months to 22 years, Kelly also sings and plays the guitar, trumpet, piano, and drums. She celebrated her 12th birthday June 15.

Originally written for an assignment in Mrs. Carolyn Flood's class at Hickory, Kelly's poem follows.

The United States Flag I'm the United States flag and I stand above the world;

Here atop the flagpost by the wind I am hurled. I look upon the cities so very close and near; And far out in the country with antelope and deer. I'm a symbol of Freedom, Liberty and Peace— May United States democracy never, never cease.

Sierra Trip Planned for Golden Agers

Senior citizens in the Harbor Area may make reservations for the special four-day summer outing at Camp Sierra, beginning July 15, the Los Angeles Recreation and Parks Department announced today.

Participants will ride an air-conditioned bus to a camp offering sightseeing, swimming, nature lore, skits, night entertainment, singing, cards, and picnics. Two, three and four-bed, heated cabins are located near the huge recreation lodge and dining room where excellent, family-style meals will be served.

Rate for the four-day outing including round trip bus transportation, three nights lodging, meals, sightseeing trips, and all regular camp activities is \$40.00 per person.

Surfboard Taken From Area Home

Theft of a surfboard valued at \$80 was reported Friday by Steve P. Wiener, 17, of 5609 Edgmere Drive. Wiener said the surfboard, stored in the garage at his home, was taken between Monday and Friday.
