### Popular 'Poor Boy' Hairstyle, Fashions

Their long tresses are gone and they are sporting the new "Poor Boy" hairstyles, so suitable for their trips to camp and activities at the Day Camp being held at their school, the Mark Twain in Lawndale.

These three young girls are the daughters of the Jerry Allison of Lawndale and their trip to the beauty salon, with a promise of an ice cream soda to follow, was a gift from their grandmother, Mrs. J. R. Allison.

Devi 10, and Shelly 9, also wearing the new "Poor Boy" fashions so popular with the younger set, will leave soon for Forest Home Church camp while Julee 7, will participate in the Day Camp activities at Mark Twain.

From the new "Poor Boy" fashions, Devi chose paisley bell-bottom hip huggers with which she wears a knitted top; Shelly wears the "little boy" green shorts with a purple, green and blue top; and Julee selected navy blue shorts with a "sissy" blouse.
