#### About Bowling.....by Dick Ericson

THE STANCE: A proper stance is essential to effective display of a chic new bowling ensemble. Since bowling centers have been recognized as the showcase for sportswear, nothing must be left to chance, especially the stance.

THE STANCE: A proper stance is a must in bowling because it incorporates several factors which help the bowler in his approach to the foul line. For example, the feet. The left foot should be slightly forward and bear most of the weight. Knees slightly bent—the right knee, the left knee, or both. The ball is held about waist high, and in line with the right shoulder, enabling the bowler to have a straight swing.

A-6 JULY 3, 1966

## Dodgers Here Most of July

Six special events, including the first home doubleheader of the year, will highlight the Dodgers' July home schedule.

The Cards, bolstered by the acquisition of slugging first baseman Orlando Cepeda, provide the opposition today.

Cincinnati's red-hot Reds follow for a three-game set and the Atlanta Braves conclude the first half of the Dodgers' July stand with a four-game series.

After the All-Star Game break and a brief road junket the World Champions will play host to Pittsburgh, New York and Philadelphia.

During the month, the following extra events have been scheduled:

July 8 — The Sportscenter will be out to defend their championship against the Sports Writers in a 6:30 p.m. preliminary game which is scheduled for three innings (or until exhaustion sets in). The winner gains the right to meet the Hollywood All-Stars, July 22.

July 10 — All fans have a chance to fill their photo albums during Dodger batting practice. Prizes are awarded in both still and motion picture categories.

July 22 — The top names of motion pictures and television will appear in the season's most exciting extra event. Under the guidance of Manager Johnny Berardino, the All-Star cast includes Dean Martin, Bobby Darin, Mickey Rooney, Pat Boone, David Janssen, Bill Cosby, Don Adams, Dale Robertson, Jack Lemmon, Ricky and Dave Nelson, Frankie Avalon, Ryan O'Neal, Ed Nelson, Peter Brown and diminutive Billy Barty among others. It will be another three-inning spectacular against the winner of the July 8 game. Action here begins at 6:30.

July 23 — The fifth annual Nuns Day in which 2,500 Nuns will be the guests of Dodger management.

July 24 — Dodgers will meet Wes Westrum's New York Mets for a pair, starting at 1 p.m.

July 26 — All youngsters attending game on a paid ticket will receive an official Little League bat with autographs of Dodgers stars on each bat.

The July schedule follows:  
July 4 (1:00 P.M. 5 (N), 6 (7:00 P.M.) Reds.  
July 7 (N), 8 (N), 9 (N), 10 (D) Braves.  
July 20 (N), 21 (N), Pirates.  
July 22 (N), 23 (D), 24 (D-2) Mets.  
July 25 (N), 26 (N), 27 (N) Phillies.

Within recent years since the Sports Arena was built at Figueroa and Santa Barbara St., such multi-million dollar facilities as the Dodger Stadium, Long Beach Arena, Anaheim Stadium, UCLA Pavilion, and a convention center in Anaheim have been realized. The suburbs of Los Angeles are becoming big league too.

Use of the Los Angeles Sports Arena for Cooke's enterprises was snarled over a lease conflict with the Coliseum Commission.

In search of the most ideal site to best serve his purpose, Cooke apparently had less trouble negotiating a \$4,014,340.63 deal for a 29.5-acre site in Inglewood than a three-year lease at Exposition Park.

Cooke paid \$5,175,000 for the Lakers less than a year ago. The hockey franchise will run \$2,000,000.

Cooke, who keeps coming up with the ace-in-the-hole each time around, derived most of his fortune in the broadcasting and publishing business in Canada.

## ATHLETICS, RED SOX 0-0 IN 11 INNINGS

A Torrance American Little League ball game was called on account of darkness after the Athletics and Red Sox played 11 innings to a scoreless tie.

Doug Gylfe of the A's pitched six perfect innings of no runs, no hits, no errors. He was followed by Dana Marks who allowed two hits in five innings.

For the Red Sox Brett Hosking hurled six innings without giving up a hit and his replacement Bill Johnson kept the no-hit effort going through the 11th inning.

During the regular season a Little League pitcher is limited to six innings during the calendar week.

The game will be continued only if it affects the first place standings at the end of the season.

PAUL JONES... Torrance race driver broadsides the Bromme Offenhauser special through a sharp turn enroute to his second CRA Sprint Car feature win of the year. Jones heads a 50-car field in Monday night's 8-event CRA Sprint Car "Firecracker Fifty" at Ascot Park in Gardena. Besides the Indianapolis-type car races, a Destruction Derby and a fireworks display are planned.

## 'Firecracker Fifty' Set for Ascot Park

A trio of auto racing stars, Paul Jones of Torrance, Bob Hogle of Buena Park, and Bruce Walkup of Downey head a 50-car field for tomorrow night's "Firecracker Fifty" CRA sprint car races at Ascot Park in Gardena. Racing starts at 8:15 p.m.

All three will seek feature wins in the 50-lap Indianapolis-type car feature race on the half-mile clay oval. Besides the eight event racing program, a Destruction Derby, and a gigantic Fireworks display is planned.

Jones, who finished second in last Sunday's USAC Sprint Car race at New Bremen, Ohio will drive the Bruce Bromme, 270 cubic inch Offenhauser special with which he has two CRA main event wins at Ascot this year.

Hogle, 1963 CRA driving champ, will pilot the famed Morales Brothers "Tamale Wagon," Offenhauser special in which he has a pair of main event victories this year.

Walkup, 21-year-old speedster captured the 100-mile CRA Memorial Day classic at Ascot in his Surdam Chevrolet V8 special from Rialto. He is currently fourth in the CRA point race.

Three other main event contenders are Don Thomas of El Cajon, CRA point leader and winner of two features this year; Frank Seicist of Bakersfield, number two driver in the CRA standings and the main event winner at Phoenix three weeks ago; and Ned Spah of Ojai, who finished second in his last two CRA starts.
