

# Illegal Entry of Waterdogs Discovered by Fish 'n Game

A traffic accident triggered a chain of events that brought about the arrest of a Salinas man who tried to bring a cargo of waterdogs — salamanders often used for fish

bait — into California illegally, says the Department of Fish and Game.

Effective work by three game wardens from widely separated parts of the state, plus some signal-calling from DFG Sacramento headquarters, were required to complete the case.

The Salinas man trucked a load of waterdogs from Texas and brought them into California via Vidal, on the Colorado River. He did this without giving the DFG the ten days advance notice required by law. The purpose of this regulation is to give the department a chance to inspect fish or amphibia brought into the State for disease or prohibited species.

Enroute to Salinas, the man's truck was involved in an accident on Highway 99 near Lebec. As a result, some dead waterdogs were left lying on the highway.

This brought Warden R. J. Reed of Bakersfield into the case and his investigation revealed the identity and address of the waterdog importer.

Warden Darrell E. Johnsen of Salinas interviewed the suspect who admitted breaking the law.

Details were forwarded to the point where the violation had taken place. Warden William F. Hart, who covers the Parker Dam area, filed a complaint in Calzona Judicial District Justice Court where Judge David Aaron set bail at \$250.

## 'Cool Head' Movement Praised

District Attorney Evelle J. Younger, his mind obviously on his Cool Head movement, issued an enthusiastic statement about the Los Angeles Lakers' summer basketball schools for amateur hoopsters.

The Cool Head movement seeks to commit the county's youth to good citizenship during the hot vacation months.

"Fred Schaus and officials of the Lakers are aware of the value of their summer activities in promoting the Cool Head idea, and they're with us all the way," said Younger.

Walt Hazzard of the Lakers says, "If they have any skills in basketball and want to improve them, they can have a fine time at the clinics. And they'll be helping to develop a good project."

Local clinics are planned for Hawthorne High School, July 18, 12:30-3:30 p.m. and South High School, July 20, 12:30-3:30 p.m.

## Panel Set For Shrine Grid Clinic

Four of the Far West's outstanding football coaches—Tommy Prothro of UCLA, Johnny McKay of USC, John Ralston of Stanford and Ray Wilsey of California — on the same panel!

That's the lineup for the Football Coaches' Clinic to be staged in conjunction with the 15th annual Shrine North-South Football and Pageant, Thursday, July 28.

"With this quartet of pigskin professors bringing the story, Al Malaikah Temple expects a record attendance of high school mentors at the clinic sessions starting at 1 o'clock the afternoon of the Shrine event," Elmer P. Bromley, founder and managing director of the mid-summer spectacle, declared this week.

Panel topics announced by the participating coaches follow: Prothro, "Short Side Offense"; McKay, "Inside Running Attack"; Ralston, "Belly Option Series"; and Wilsey, "Pass Defense."

## Skip Mooney Gets Post As Executive

Richard "Skip" Mooney of Torrance, a former star football player at California Lutheran College, has been named manager of Pacific Telephone's San Pedro public office.

Mooney was hired under the utility's summer management achievement program. Mooney, who earned a bachelor's degree in economics from Cal Lutheran, was active in student activities and athletics during his stay at the college in Thousand Oaks.

He was president of the Associated Men Students, an honor student and was named in "Who's Who in American Universities and Colleges."

Mooney was a four-year letterman in football and in 1964 was named to the All-Lutheran team in the United States and as end. He holds all Cal Lutheran pass-catching records. In addition, he also earned one letter in track.

## Pasadena Plans Track and Field Meet

Shining stars of track and field have been invited to compete in the first annual AAU sanctioned event that will christen the newly installed, "red carpet" Grass-Runyonk participants chairman, reports considerable enthusiasm among the athletes with regard to competing in

sponsoring Pasadena Jr. Chamber to compete in the Rose Bowl that will be all decked out in brand new brick red concourse.

One of the first invitees for the RBI competition was Arcadia's Tracy Smith, who earned a berth on the USA team that will vie with Poland and Russia with nine

miles of championship running last week at the National AAU meet in New York. He was nosed out by George Young in the three mile on Saturday and then outlasted Olympian Billy Mills to win the six mile run in 28:02.2. Another early entry was Tom Jones, PAA sprinter, who last week won the 200 meter dash in the international track meet held in Zurich, Switzerland.

Rink Babka, who pressed Al Oerter for top honors in the discus at the AAU conclave has entered the Rose Bowl Invitational as a part of his program of re-establishing supremacy in his pet event. A compliment was paid to the PJC sponsors by Hal Connolly, veteran hammer throw artist, who said "The invitation to compete in the RBI meet was the finest that I have ever received."
