

Little League Day Set for Carson

By HENRY BURKE
Press-Herald Sports Editor

Carson Little League went into construction in February to build two Little League Field and a Senior Division diamond.

Come Saturday two districts will decide their tournament championships in Little League along with the California Section 6 Senior title at the new park at Sepulveda and Main St.

District 26 will take to the field at 1 p.m. and the District 27 finalists will clash at 3:30 p.m. The Senior finals are also 3:30.

The Little League tournament has reached the semi-finals with Tordondo meeting Southwood at North Redondo tomorrow. Rolling Hills and Silver Spur tangle tonight at Silver Spur. Game time is 6 p.m.

Semi-finalists in District 27 are Carson and Pa-

cific Coast which clash tonight, and North Torrance East and Harbor City which meet tomorrow. Both games are at Carson Field at 5:45 p.m.

Pacific Coast Little League stopped Dominguez' one-game tournament triumph by winning its opener at Harbor City Monday, 5-0.

Billy Banaszynski hurled a two-hit shutout and got help from Rich Leetz' two-run homer in the third inning.

Harbor City's Cliff Lane picked up a no-hit effort against Lomita, winning 2-0 on Billy Moton's two-run roundtripper in the fourth frame.

North Torrance East rallied for three runs in the bottom of the sixth inning to upset Torrance Central, 4-3, at Carson Field in a District 27 game.

Central scored three runs in the first inning and led 3-1 going into the last bats. Tom Berovich opened

the rally with a single and Nick Giglio walked with one away.

After a ground out, Ted Mitchell was safe on a bobbie to score two runs and Randy Tracey's fly was dropped in the outfield to score Mitchell with the winning run.

Southwood won its second straight shutout in District 26 playoffs as Larry Farrah pitched perfect game against Sunset.

Farrah had 17 strikeouts and it was not until the fifth when Pat O'Shaughnessy grounded out at second was a ball hit in fair territory.

Southwood won, 20-0, at North Redondo, collecting 22 hits. Farrah and Dave Adair had 4-for-5 each. Ed Feist hit Southwood's only homer.

Silver Spur won its second game, 4-1 from Lunada Bay, as John Schaus tossed a three-hitter. Dave Calvert homered for the winner's first run.

Tom Bondurant of Rolling Hills pitched the first no-hitter of the 1966 Little League tournament playoffs on Monday. He allowed one walk as Rolling Hills blanked Palos Verdes, 9-0, at Silver Spur Field. Tom had 13 strikeouts.

Bondurant collected two hits to run his two-game batting to 5-for-8. Rolling Hills defeated Riviera, 5-2, to open the tournament last week.

In another District 26 playoff game Tordondo won its first outing by whitewashing South Redondo, 7-0. Rick Berwick threw a three-hitter against South Redondo, a victor over Pacific, 3-0, in Round 1.

Hermosa, the favorite in District 36, was upset by Manhattan Beach which rallied for three runs in the bottom of the sixth for a 3-2 win.

Carson won its first tournament game in history with a 5-1 win over North Torrance West on Monday.

Shrine Passing Looms

All Shrine All-Star Football Game passing records are expected to be smashed to smithereens when the 15th annual North-South pre-college charity grid classic is staged tomorrow evening in Los Angeles Memorial Coliseum.

Coaches for both squads have been emphasizing the overhead game with big Mike Holmgren (Lincoln, San Francisco) hurling for the North-erners, while Pete Sanchez (Mater Dei) and Ron Fuji-kawa (Long Beach Wilson) on the firing line for the South.

Fans who have perched on the sidelines during all work-outs report rangy Seaborn Hill of Pittsburg, a 6-3, 200-pound end, is the principal target for Holmgren's tosses.

For the South, split ends Terry DeKraai (Long Beach Wilson) and Sandy Durko (West Covina) have been latching on to the throws from Sanchez and Fuji-kawa.

Most impressive running back in both camps has been Greg Jones, South San Francisco's all-American. He has all the moves and is a tough carrier to bring down. Others sparkling for the Northern contingent have been Half-back Darryl Stowers (El Cerrito) and Fullback Bob Carmichael of Piedmont.

The South's ground attack will be paced by Oxnard's high-scoring Bubba Brown, Skip Robinson (Pasadena), Gary James (St. Francis) and Rikki Aldridge of Westminster.

A crowd of more than 60,000 is anticipated to be looking on when the spectacular Shrine pageant opens the proceedings at 7:30 p.m. Game kickoff time is set for 8:30 o'clock.

Volleyball Tournament To Be Held

The tenth annual Beach Volleyball Championships will be held at the Manhattan Beach pier Saturday and Sunday.

Co-sponsored by the Manhattan Beach Jaycees and the Recreation Department, this event brings together most of the leading volleyball players in the Western United States.

Competition will be for men's doubles teams. Six-man and six-woman teams will compete on Aug. 20 and 21.

Several members of the 1964 United States Olympic Games Volleyball team are expected to participate in the doubles event this weekend. They are Mike O'Hara, Mike Bright, and Ernie Suwara.

Entrance in the tournaments is available to all interested teams. Further information may be obtained by calling Tony West, Jaycee event chairman, at 376-3325, or by visiting the offices of the Manhattan Beach Recreation Department at Live Oak Park.

Bowling For Better Scores

By Evelyn Teal. 1964-65 All American Team

Downswing — Second of 4-Step Delivery

The second step of the four-step delivery is an automatic one. To insure that you are "in time" during this step make sure that as you begin your second step you disengage your left hand from the ball. This will allow the ball to swing straight back in the pendulum swing. The left arm is now free to act as a balance for you as the ball starts its downswing. Remember that if you take your left hand away from the ball too late or too quickly, it will throw your timing off. You are cautioned to release the left hand from the ball as soon as you begin the second step, doing so in a smooth manner. This will insure proper timing. It should be noted that the body is bent slightly at the waistline, the knees are slightly bent, and the shoulders are still parallel to the foul line. The ball is now in the middle of its pendulum swing (near your right knee) while the left foot is balancing the left side of your body.

Devils Cinch Flag

The Torrance Red Devils won their 17th straight Connie Mack League ball game Sunday and emerged as the South Bay champion for the third year. Sunday's victim was rival Tordena. The Red Devils blanked the Bullets, 3-0, behind the 7-hit pitching of Ken Pfau and Bob Sharpe.

The Devils beat Gary Ryerson who gave up six hits and fanned 10 Devils.

The Devils' 16th win was a forfeit against Westchester on Saturday.

The Bullets won their 15th league game against Riddle and Ross, 7-2, to cinch second place in the league.

In the playoffs commencing Saturday, the Red Devils play the Dessert League's No. 1 team at Blair Field in Long Beach at 6 p.m. The Bullets oppose a Coast League team at Monrovia Saturday at 5 p.m.

Score by Innings:
Red Devils 000 000 100-3
Bullets 000 000 000-7
Winning pitcher — Pfau; Loser — Ryerson.

Torrance Blues Win Twice in Legion Playoffs

The Torrance Blues, Torrance American Post 170 team, defeated El Segundo, 8-5, and the Long Beach Flyers, 6-1, for a pair of victories in the Legion playoffs at Long Beach Blair Field Saturday and Sunday.

Both El Segundo and Long Beach have another shot at the Torrance team next Saturday. In double elimination competition, the two once-beaten squads tangle tonight.

El Segundo blew a two-run lead to the Blues in their 8-5 thriller.

Racing at Whiteman Is Just Like TV Re-Run

Television has its summer reruns, and so does auto racing.

Saturday night at Whiteman Stadium, Mike Mosley duplicated his come-from-behind win of the previous week for a convincing victory in CRA sprint car action.

Compounding the comparison, the 21-year-old La Puente speedster once again broke his own one-lap record by three-tenths of a second, just as he did last week. This time Mosley clocked 17.46 in qualifying, while grooving the Morales Bros. Offenhausen around the high banked paved oval.

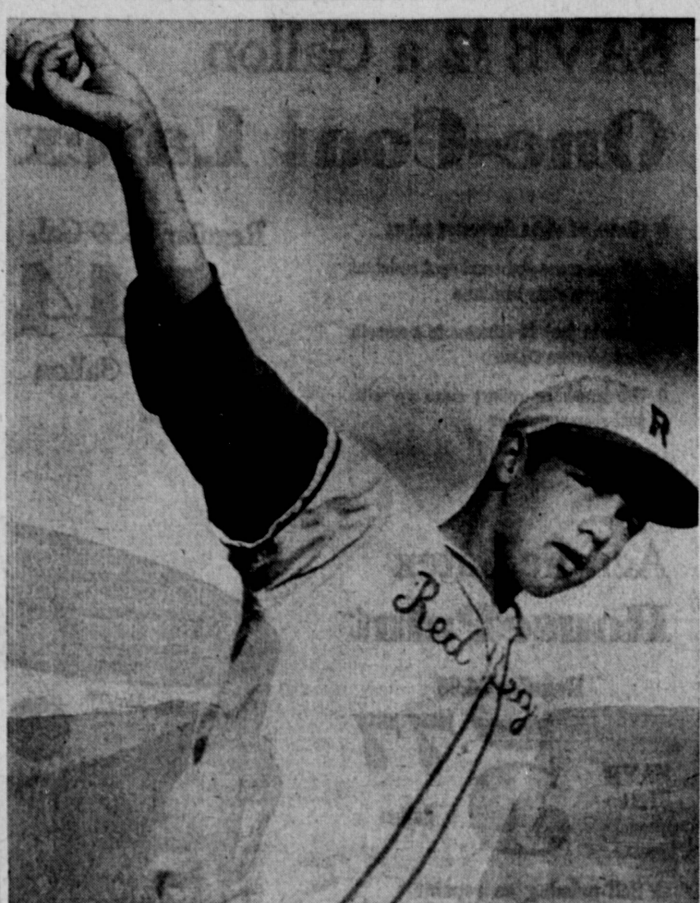

Second in the 30-lap main event was three-time Whiteman winner Don Thomas of El Cajon, followed by Jay East, Colton; Frank Seisler, Bakersfield; Norm Wiles, Ba-

kersfield; Jim Luebbert, Cincinnati; and Ned Spath, Ojai.

Halfway through the feature it looked like a breeze for Paul Jones, Parnelli's younger brother, who has scored so well on the new Pacoima third-mile oval.

He held the lead from the roaring start up the high banked first turn, but on the 15th lap Mosley closed the gap and finally jumped in front as Jones faded.

Jones will seek revenge Saturday night as the sprints return for their weekly speedfest at Whiteman. Time trials are at 7 p.m. and first race at 8:30 p.m. Stadium manager Walt James reports the CRA boys are scheduled there every weekend except August 13 and 20 when they have out-of-town obligations.

LARRY FARRAH . . . Southwood Little League righthander struck out 17 batters and pitched a no-hit no-run game against Sunset League of Redondo last night. He also collected four hits in a 20-0 victory. Southwood plays Tordondo tomorrow at North Redondo Field.

PREP FOOTBALL

Terry, Hartman Coach the West

The South Bay's Coach of college, with his team being ranked No. 1 on a national wire service poll.

East Texas State captured the Lone Star Conference crown three years in a row and had a 30 game winning streak besides.

Hartman is a throwback to the old style of fundamental football coaching — a trait too often disregarded in this day and age of complicated offensive attacks.

The Sea Kings won 10 and tied one game, climaxing their season with a 20-7 win over Foothill in the CIF "AA" finale.

Terry has been at Palos Verdes since its opening in 1961, coming south from the State of Washington. He played at the University of Washington under Jim Owens. Terry is a graduate of Banning High School.

His teams in Washington compiled an overall 12-4-2 record. At Palos Verdes, Terry's teams have a 38-23-3 record.

Terry is considered one of the finest football strategists in the southland, as his record clearly indicates. He is also one of the most colorful, too, pacing the sidelines with his ever-present headphone set dangling around his neck.

George Hartman of El Segundo High makes his final South Bay coaching appearance in the game.

Hartman is leaving for another locale after compiling an outstanding record in two years with the Eagles.

The 34-year-old Texan, a graduate of East Texas State, was a Little All-America in

Pony League Teams Suffer Three Losses

Three Torrance Pony League teams were beaten in Saturday's opening round of tournament play at Garrett Field. San Pedro defeated West Torrance, 6-2, Rolling Hills whipped Torrance Central, 10-2, and Gardena edged North Torrance, 3-2.

Jeff Bartik homered for North Torrance in the loss.

San Pedro 210 102 0-6 8
