FORD MOTOR COMPANY
Used Car 2 1/2 Year 50,000 Mile Power Train Warranty

USED CARS
Ford Motor Company Used Cars, one- to two-year-old models, now available with 2 1/2 Year Power Train Warranty.

Ford Motor Company warrants to the Purchaser each part of the Power Train Components of any engine used one, two- or three-year-old Ford motor vehicles of any make and year, including but not limited to: engine and transmission, crankshaft, drive shaft, flywheel, and main shaft. This warranty is in full force and effect from the date of registration of the used car warranty for the period of (1) 24 months from the termination of the original Ford Motor Company warranty, or (2) 50,000 miles on total operation, or the unit size of the used vehicle by the time the original warranty expires, whichever comes first. Power Train Components, as used herein, shall mean the engine block, head, internal engine parts, oil pan and crankshaft, water pump, drive shafts, transmission case and internal transmission parts, torque converter, driveshaft, universal joints, rear axle and all rear axle internal parts, and rear wheel bearings, or steering, or the warranty will be null and void if the used vehicle is used for racing, or for any other purpose which is not intended by the Ford Motor Company. This warranty is void if the used vehicle is used for racing, or for any other purpose which is not intended by the Ford Motor Company. The warranty is expressly LIMITED to the Power Train Components and does not include other parts of the vehicle. The warranty is void if the used vehicle is used for racing, or for any other purpose which is not intended by the Ford Motor Company. The warranty is void if the used vehicle is used for racing, or for any other purpose which is not intended by the Ford Motor Company.
