

NATION'S FIRST... Steel channels produced at U. S. Steel's Torrance Works are part of a 655-ton contract for the first large scale installation of Cor-Ten freeway median barriers and guard rails. Some 20 miles of the high-strength weathering steel which needs no painting will be installed on the Junipero Serra Freeway in San Francisco.

Interest Payments Halted On Postal Savings Bonds

United States Postal Savings certificates worth \$24,414 on deposit at the Torrance Post Office are now earning little or no interest for 107 local depositors, Postmaster Carl L. Backlund has just announced.

The Post Office Department is holding more than \$147 million in savings certificates throughout the nation, Backlund said. The program was discontinued by Congress last March 28, he explained.

April 27, 1966, was set as the cut-off date, Backlund said, and those certificates which have come due since that time have received their final interest payment. Depositors who hold certificates with anniversary dates between now and next April 26 will receive a final interest

April 26, 1967. He suggested depositors close their accounts as soon as possible in order to put the funds to more productive use. Backlund suggested postal savings funds might be re-invested in U. S. Savings Bonds, which now yield 4.15 per cent if held to maturity.

Members of the Lomita Harbor City chapter of the American Field Service (AFS) will hold their annual Christmas party Saturday, Dec. 17, at the Olympic Ice Arena, 23770 S. Western Ave., beginning at 8 p.m.

The fund-raising event, sponsored annually by the AFS chapter, will help raise money to support foreign students who will live in the community while attending school at Narbonne High School.

Funds also afford Narbonne High students an opportunity to go abroad and study during the summer months. Tickets, priced at \$1.25 per person, entitle holders to the free use of ice skates and the arena for four hours. Tickets may be purchased from the AFS chapter at a special table to be established outside the arena.

Richard Frazier is chairman of the event. Dale Wickstrom is president of the AFS chapter.

Arts Group Sets Bazaar

The Palos Verdes Community Arts Association Art Rental and Sales Service third annual Christmas bazaar will be held at the rental gallery, 405 Via Chico, Palos Verdes Estates, tomorrow through Saturday.

Hours of the bazaar, which will feature "Isms" (stuffed animals and people) made by Penelope Greevan, are 1 to 4 p.m. each day.

Ceramics, pottery, boutique items, paintings, prints, drawings, and water colors will be featured at nominal prices at the annual bazaar.
