

Western Avenue Work Set

An agreement which gives Los Angeles County the authority to improve Western Avenue between the San Diego Freeway and 25th Street in San Pedro, has been approved.

According to Supervisor Burton W. Chace, the contract between the county and the cities of Torrance, Los Angeles, and Lomita was passed by the Board of Supervisors yesterday.

The improvements along Western Avenue fall within the jurisdictions of the four governments.

Total cost of the project is estimated at \$3 million. Work will be performed in four phases, with the first phase estimated to cost \$195,000.

The agreement stipulates that the county and cities will provide the right of way for the project. The County Road Department will prepare plans and administer the construction contract.

Cost of the project will be shared by the state, county, and the three cities.

Hearing On Lights Ordered

County supervisors have called for a hearing on the proposed expansion of a Carson area street lighting district, according to Supervisor Burton W. Chace.

The district boundary changes are being sought so street lights can be installed in the Nelson Street-Moneth Avenue area.

A petition seeking the changes has been submitted to the board. The petition represents more than 25 percent of the assessed valuation of the area to be annexed to the Dolores Lighting District.

Boundaries have been reviewed and approved by the County Engineer.

No date for the hearing has been set.

Painting Sessions Scheduled

Leland Hall, well-known Lomita painter, will begin a new class in oil painting Sept. 4 at 7:30 p.m. at Lomita Recreation Center's Community Building.

He will demonstrate landscape painting while the students copy. Hall said he will work slowly and supervise the work of each member of the class, explaining color, composition, and technique.

A registration fee of \$15 will be charged for the two-month course, payable in advance either at the center or the first class.

Subsequent classes will be held Saturday mornings beginning Sept. 9, from 9 a.m. to noon in the Community Building.

Assistant Cashier Selected

Brian A. Maki has been named assistant cashier in Bank of America's Administration Operations department, Los Angeles Headquarters.

Born in Butte, Montana, Maki graduated from Mira Costa High School and attended El Camino College. In addition, he has completed courses at the American Institute of Banking.

He and his wife, Sandra, live at 1718 Camino De La Costa with their daughter, Kristin.

Directors Quit

Frederick M. Peysor Sr. and C. Jay Parkinson have resigned as directors of the Fansteel Metallurgical Corp. and its subsidiaries, Warren B. Hayes, president, has announced. No reason was given for the resignations.
