

KNOW WHAT'S HOTTER

THAN THE MG MIDGET THAT WAS 1966 CLASS "G" CHAMP?

THE NEW MG MIDGET.

Midget took the SCCA class "G" marbles in 1966. So what did MG do? They improved the champ. Put in a new 1275 cc engine that increases Midget's horsepower 10%. That delivers more torque at lower revs, more power at higher revs. Result: better acceleration. Faster top speed. But still delivers 30 mpg. And MG put in a new 6 1/2" diaphragm clutch. Works smoothly with minimum pedal pressure. And added a new easy-up, easy-down folding top. There's more to the champ. Dual carbs. 4-speed gear box. Disc brakes up front. And Midget's competition-winning rack-and-pinion steering paired with tight racing suspension.

Come in. Test drive the new MG Midget. The price is no contest.
