

Prime Site To Be Sold By State

Capital News Service
SACRAMENTO—Want to buy 32.75 acres of prime development in Norwalk in Los Angeles County, accessible from the Santa Ana freeway? The state is going to sell the land, which has an estimated value of \$1 million or more. Sealed bids will be opened by the property acquisition division of the state department of general services in Los Angeles Oct. 24.

The property is located at the southwest corner of Imperial Highway and Bloomfield in the city of Norwalk. It formerly was a part of the Metropolitan State Hospital farm but has been declared surplus by the legislature.

The Norwalk civic center development adjoins the property to the west. A 25-acre shopping center soon will be constructed nearby. All utilities are available to the property, one of the few remaining vacant parcels of its size in the Norwalk area.

Chadwick Principal To Resign

Pierson F. Melcher, headmaster at Chadwick School since 1963, has resigned that position, effective Aug. 31, 1968. He also has taken a one-year leave of absence and will not return to his duties at the school.

Miss Virginia Chadwick and Paul G. Lee have been named acting co-directors for the forthcoming year. John E. Wenrick, who served as assistant headmaster last year, will act as assistant co-director.

Melcher joined the Chadwick School staff in 1963 when the school was reorganized as a non-profit corporation.

Miss Chadwick, a graduate of Massachusetts State College, has been a member of the faculty since 1938 and currently serves as assistant high school principal. Lee, a graduate of Chadwick School, joined the staff in 1956 and currently is chairman of the history department.

Solons to Open Session Monday

SACRAMENTO—California legislators may not know until the session reconvenes in Sacramento Labor Day just what they have to deal with in the way of the governor's vetoes of bills.

The lawmakers return from about one month away from the capitol for the special session for consideration of governor's vetoes, provided for under a constitutional change voted by the people last November.

Governor Ronald Reagan has signed 1,535 bills into law thus far and has several hundred more to go. However, he has announced only a few vetoes. He has until midnight today to complete action on the bills.

REPORTS ARE that Governor Reagan will wield his veto heavily against the bills which appropriate funds from the state government. Reagan already has cut \$43.5 million from the 1967-68 budget, on grounds there were no funds to pay for these items.

Area Cubs View 'Fastest Car on Wheels' at Ontario

Cub Scout Pack 319 have completed their first father and son outing to Ontario, under the direction of Cubmaster Philip R. Smethers.

The purpose of this trip was to let the boys and their fathers view the fastest gas-powered car on wheels, the "Goldenrod" built by Bob and Bill Summers of Ontario.

The outing was arranged by the pack's sponsor, Harvey Aluminum, Inc., of Torrance.

The boys also traveled to Terminal Island for a tour of a Navy vessel. This outing was under the supervision of Morrel Muller, one of the fathers who currently is serving in the Navy.

Other trips for the pack this summer have included Dodge ball games, the Scout-O-Rama, picnics at Alondra, Torrance and Irvine parks, and a full day of activities at Cub Land.

SOUTH BAY

CITIZEN OF THE MONTH

Few people have the opportunity to be of vital service to a fellow human being. When such a challenge arose for Kenneth and Sally Schneider, they met it with intelligence and courage.

A dark night, a vicious struggle, a woman defenseless and desperately in need of help — these were the ingredients of a moment in the lives of Kenneth and Sally Schneider which revealed them as human beings who care. They did not drive on. They stopped to help, frightening away two male attackers, saw the victim safely home and alerted the authorities.
