Here now new Sprite.

Smoother clutch.
 Quick and easy folding top.
 Still the lowest-priced true sports car.

New Sprite sports a new 1275 cc engine. Delivers 10% more horsepower. Runs more quietly. Wears longer. Still gives you 30 mpg.

Other new touches: New easy folding top with 3.3 square feet of rear window. New clutch that works smoothly with minimum pedal pressure.

Plus rack-and-pinion steering and low-slung road-gripping racing suspension for masterful cornering and road-handling. Self-adjusting disc brakes up front. And the comfort of foam rubber bucket seats.

Stop in. Test-drive the new Sprite.
 And see how much car you have going for you. For so little money.
