County Fair Opens 17-Day Run Friday

The Los Angeles County Fair, an international exposition of entertainment, educational, cultural, and commercial attractions, opens a 17-day run at Pomona Friday. The fair officially opens at 10 a.m. but action really gets underway at 2 p.m. when the eight lovely Los Angeles County Fair Princesses, Mexican Village Queen and Princesses, bands, exhibition marching units, floats, and selected mounted groups take part in the Opening Day Parade through the city-sized fairgrounds.

Continuous instrumental and vocal music entertainment will be presented free in the amphitheater from noon to 8 p.m.

QUEEN OF THE 1967 Los Angeles County Fair will be announced and crowned at 8 p.m. in the grandstand ceremonies preceding the opening performance of the Wenatchee Youth Circus which will be presented each night through Sunday.

Thoroughbred, harness and quarter horse racing will be held daily except Sunday with post time 12 noon Saturday and 12:30 p.m. other days.

There is pari-mutuel wagering plus daily double on the daily twelve-race card. First two feature races will be the \$10,000 added Marian Stakes on Friday and the \$10,000 Governor's Cup Saturday.

OUTSTANDING among hundreds of continuous attractions are the International Pavilion, the Science U.S.A. Exhibition and Arts in Action.

International Pavilion features cultural, scientific and educational exhibits from 20 nations plus more than 30 commercial exhibits by world importers. It is the largest international show staged with any annual fair.

Science U.S.A. is a cooperative project with the Southern California Industry-Education Council. It will feature 26 displays of space, nuclear, underwater and communications projects by private firms and

agencies of the federal government.

FOLK ARTISTS from Peru, including tribesmen from the Shipibo Forest, one of the world's most primitive people, will be highlighted in the Art in Action show along with several noted artists and craftsmen from California.

Other educational features include the Court of Redwoods, a living tribute to California's famed trees; Storybook Farm, a nostalgic reproduction of an early American farm plus nursery rhymes brought to life; Golden Empire Mine, a reproduction of an early California gold mine, and the new Interior Design Showcase.

SPIRIT OF the fiesta is kept alive in Mexican Village by almost continuous entertainment by colorfully costumed mariachis, charros, dancers, comedians and other authentic Mexican entertainers. The Village is a courtyard bazaar with dozens of shops selling food, clothing, and curios from Mexico.

General fair exhibits include agriculture and horticulture, apiary, aquarium, dairy products, domestic arts, feature exhibits, livestock, natural resources, photography, fine arts, pigeons, rabbits, poultry, cage birds, caviar, wine, and the large Junior Fair which includes most competitive departments of the general fair.

ATTENDANCE will be limited to 350 persons, according to Dr. Merle H. Boyce of Redondo Beach, Central Committee chairman.

Presidents of Republican clubs in the district will receive allotments of tickets for purchase by their members, Dr. Boyce said.

Cocktails will be served

Children's Films Set

Luau Set For GOP Fund Drive

Precinct activity in the 46th Assembly District will be financed by a fund-raising luau Saturday, Oct. 7, planned by the 46th District Republican Central Committee.

A tropical island paradise will be created at the Rolling Hills home of Mr. and Mrs. J. D. Bass, 18 Saddleback Road.

'Lights On' Campaign Successful

"Lights on for Life," sponsored by the Board of Supervisors over the Labor Day weekend, has again been credited with saving lives on Los Angeles County's highways.

The California Highway Patrol reports 57 fatalities occurred in California over the three-day weekend. Eight of those occurred in Los Angeles County.

"The county's percentage—14 — once again was far below the 40 per cent of California's registered vehicles in Los Angeles County," said Supervisor Kenneth Hahn, who initiated the campaign in 1961.

Observers on freeways Sept. 2, 3, and 4 reported seeing hundreds of cars with their lights turned on during the daytime hours to remind others motorists to drive safely.
