

News and information about your public-transportation system, published in this newspaper as a community service from the Southern California Rapid Transit District.

By ARTIE DEE  
Transportation Editor

The next time you step aboard an RTD bus, notice the two neatly stenciled words just to the left of the front door. The words are "Welcome Aboard." They folks down at RTD mean just what those words imply. You are welcome and they want you to know it.

One of the reasons that prompted me to write this column was the statement I've heard so often. "What is there to do? I have no way to get around." Nothing could be farther from the truth when you realize the RTD serves 180 communities in four counties. Almost every major attraction, fun-spot, work area and public service in an RTD line. 2200 miles of lines just for your benefit. Send or call for a map and see for yourself.

Attention all you flower lovers... there is a spot in Arcadia, near Santa Anita, that is just bustin' out all over with the most beautiful flowers, landscaping, birds and stuff most women like (and me, too!) This paradise called the Arboretum, can be reached by two RTD lines serving many cities and communities. Line 68 running from Los Angeles to Glendora, and the new RTD Line 1 (formerly Pasadena City Lines) running from Pasadena to Monrovia, Arcadia and Pomona. This is no hurry-up-quick place, so plan to bring your lunch and spend the day.

A reminder to all college students in Orange, San Bernardino, Riverside and Los Angeles Counties. If you discover after you pay your fees, books, clothes, room and incidentals, that you're broke or badly bent, there is still hope. The Student Privilege Card, for all students under 21 years of age, is RTD's answer to the way out poverty. This little card will reduce your transportation bill considerably, provide you with discounts to many leading attractions, and free your mind of worry so you can apply all your grey matter to studies.

Q. We keep our boat at Kings Harbor and on Saturdays our kids like to go down and clean the boat. We live near the 51 line in El Segundo. Can the children use their Student Privilege Card on weekends? Bill Brown.

A. They sure can, and save the difference in fare for their college education.

Q. The Lakers and the Kings will move to the Forum sometime this winter, or at least that's what I hear. What kind of bus service will be available? We are now living in Redondo Beach but will possibly move to Inglewood because my father works there. Ron J.

A. Well, Ron, it appears you are a sports fan. I am somewhat of a sports figure myself. I was horseshoe champ of East Branch, Missouri, in 1933, so you see we have something in common. Now about your question. From your present home to the Forum, take the 51 bus marked Los Angeles and transfer to the RTD Line 2 (formerly Inglewood City Lines) at Sepulveda and Manchester and get off at Forum. If you move to Inglewood, drop me a note and I'll see that you are sent the proper timetables.

Q. I have recently joined the Civil Air Patrol, based at the Torrance Municipal Airport. What RTD bus can take me to the Torrance Municipal Airport? Does the 102 Line come close? I live in Torrance near the Freeway and Crenshaw Boulevard. Thomas B.

A. The RTD 102 Line on Pacific Coast Highway and Hawthorne is a country mile from the airport. I would suggest you take the Torrance Municipal Line 2 and you will have only to walk across the street.

Send your questions to Transportation Editor, Artie Dee, care of this newspaper. All questions will be answered in this column or by mail. A system map will be sent free to each person submitting a question, or call 347-4455 for detailed information.
