

# 'Boyd of Paradise' Is Some Flower!

If Fred Peterson ever grows a victory garden, it is sure to contain his favorite flower, "Boyd of Paradise!"

During four non-league football games, Coach Peterson's big 208-pound tailback Dave Boyd, playing his third year with the West High varsity, has scored 12 touchdowns. He added three to the total as the Warriors overpowered Rolling Hills, 20-12, in a Friday afternoon game on the loser's field.

Rolling Hills took control of the game until the final three minutes of the half when West suddenly unleashed an 83-yard touchdown drive.

BOYD OF PARADISE... Dave Boyd (27) of West High scores his first touchdown against Rolling Hills with only a few seconds remaining in the first half. At the bottom of the pile is Dave Boyd who went over from the 1 yard line. He tallied twice in the second half to give West a 20-12 victory. In the back of the pack is QB Len Herscher who raised his hands to signal the touchdown. The win ran West's season record to four wins and no losses. (Press-Herald Photo)

## The World Of Sports

On a sunny afternoon in April of 1966, El Segundo High was ahead of West, 1-0, in the seventh inning of a Pioneer League baseball game. With the bases loaded and one away, Kemer Brett was called upon to finish the game in relief.

The first pitch was a quick comebacker to the mound. Brett quickly threw home to start the winning double play, but the ball sailed over catcher's head and eventually the winning run scored for West. It was agonizing for the young pitcher.

However, Kemer Brett went on to pitch El Segundo to the CIF "AAA" championship and was rewarded with a \$100,000 contract with the Boston Red Sox.

Only one year later Brett winds up in the World Series as a relief pitcher and retires four of five batters, walking one of them.

Brett is one of three Boston Red Sox World Series players who got his start in baseball with local Little Leagues: Brett in El Segundo, second baseman Mike Andrews in Torrance, and Pitcher Jerry Stephenson in Hermosa Beach.

Cross country is a sport that usually has more participants than spectators.

Almost as many boys turn out for cross country as football or basketball at some schools, but the coaches miss the boat when it comes to promoting headlines.

For example, two of the best cross country teams in the Southland are South High and West High School of Torrance. If they took part in a dual-meet there might be more spectators than participants.

The trouble is, I have discovered, West High would rather load into a bus and travel to Victor Valley (wherever that is) instead of competing against South High.

A West High-South High meet would not even require a bus. I am sure Coach Dick Scully of South High would be willing to suit up after school, warm up his team by running the mile or so to West High, and then engage in a regular 2-mile heat!

Cross country competition needs an uplifting. The only time you run into a 27-28 score is when South and Redondo clash. Most of the time the first seven kids who finish a race are from the same school.

No two cross country courses are the same. School records and national rankings are blinded by the lack of consistency in "track" layouts.

Maybe, after West High and South High are both in the Bay League and the true test of cross country supremacy beckons, interest will warrant the development of a permanent cross-country facility for use of the entire district. It's a thought.

## SPRINT CAR DATES SLATED FOR ASCOT

The United States Auto Club sprint cars have been booked for two dates at Ascot Park.

## Arthritis to Be Topic of Medical Meet

A panel of four doctors will talk about new theories and treatment methods in arthritis at a medical forum on Thursday at 7:30 p.m. in the Torrance High School auditorium, 2200 Carson St.

Participants will be Armond Toomajian, M. D., and Melvin Kaplan, M. D., from Torrance; Henry Kline, M.D., from Harbor City; with panel moderator Leopold S. Tuchman, M. D.

A disputed pass to Gary Kendrick for 30 yards and a 10-yard run by passer Coy Hall on a rollout got West to the 3 yard line. Boyd cracked over from the 1 with the clock running out. Paul Johnson kicked the go-ahead conversion, 7-6.

Until the Warriors began to pop its offense, Rolling Hills dominated via two fumble recoveries and a 12-yard touchdown run by John Papadakis in the first quarter.

West dominated the second half. The defense was near perfect. The Titans could not move the ball on the ground and had to resort to a lackluster passing attack.

Dennis Hudson came up with a pass interception and recovered an enemy fumble in the second half to stall the opposition for West.

Aided by a 30 yard pass from Paul Fieri to Brian Butler, Rolling Hills got into West territory in the final minute of the game. Two 15 yard penalties moved the Titans to the 12-yard line where Fieri hit Bob Griffith for a final touchdown pass.

The passing game figured in West's two touchdowns in the third quarter.

West moved 53 yards for a touchdown as Boyd ran 7 yards with a pitchout.

Two minutes later the game was clinched as Dean Owens took a handoff from Hall and threw a fourth down pass to Boyd for a 15-yard touchdown.

Rolling Hills, 12-20, 0 0 0 6-12  
West TDs — Boyd (1 yd. run, 7 yd. run, 15 yd. pass from Owens); PATs — Johnson (2 kicks).

Against Redondo, it came in the fourth quarter on the tailend of an 18-6 defeat.

Coach Herb Richey was so excited about beating Redondo at Seahawk Bowl Friday. He was as anxious to run out the final clock as a team with a 1-point lead. His Spartans had the game in the bag.

At one stage the score was 28-0 as South quarterback Walter Scott fired four touchdown passes all told.

Penalty infractions jammed the works for the first 22 minutes of the game. But with 1:40 left in the half Scott slickered the Hawks with a 29-yard pass to Jeff Wang.

Jim Antal, the soccer place kicker, connected with a perfect conversion. He made four straight for the night which must be some kind of a school record.

A few seconds after the touchdown Steve Robertson recovered a Redondo fumble. A Scott then flipped a screen pass to Wang who ran it to the 3 yard line. He ran the wrong pattern after the catch or he might have easily gone the distance.

### Bees, Cees Win

South High won a 33-12 Bee game and a 15-0 Cee game against Redondo in Bay League lightweight games Thursday and Friday.

## South Socks RUHS, 28-13

Against Redondo, it came in the fourth quarter on the tailend of an 18-6 defeat.

## Lausen Next For Knights

The Camino Real League football exchange starts out next Friday night with a real nice friendly game between Bishop Montgomery and Fermin Lausen. That's like inviting a 200-pound mouse to play bridge with a sick cat!

Whenever Bishop Montgomery and Fermin Lausen meet on the football field, one usually takes the other to the cleaners and defeat is pretty agonizing. So the game thereby has become a serious obligation to win.

This is not a job for kittens. Lausen got ready for the big game by clubbing LaCanada, 7-0, Friday night. Montgomery battered a weak Nordhoff eleven, 34-0.

The Knights pecked away with two first quarter touchdowns and led, 20-0, at halftime.

The first TD culminated a 75-yard drive with Quarterback Greg Collins going 17 yards for the score.

### Cross Country Meet Won by South High

George Watson, Decker Underwood, Jeff Walker, Tim Trickle, and Don Sparks finished almost all in a dead-heat as South High walked over Santa Monica in a Bay League cross country meet Friday at South. Four seconds separated the five top finishers. The score was 15 to 48.

The Junior varsity won, 15-62; sophomores, 20-55; and the freshmen 26-31.

South will run in the Dominguez Invitational Tuesday and clashes against unbeaten Redondo a week from Tuesday.

Collins has thrown six touchdowns passes in four games. He completed 11 of 22 passes for 252 yards against Nordhoff.

Coach Swade credited End Steve Patterson with a fine defense-offensive effort. Mike Bruccoleri decided to play a football game, according to his coach, and the likes of good steady defensive play was turned in by Mike Cano and Jim Roach.

Five teams will go into the Camino Real League pit with a good chance of collecting the marbles. Among them are Fermin Lausen and Montgomery.

Montgomery TD — Collins (17 yd. run); Agnew (4 yd. run); Smith (3 yd. pass from Collins); Ramirez (23 yd. run); Jamison (89 yd. pass from Collins); PATs — Haren (3 kicks); Kubota (run).

## Hawthorne Makes Life Easier for North High

Traditionally North High plays the toughest non-league games possible. It makes it easy when the Bay League games come along.

After dropping two games to Santa Ana Valley and Morningside, the Saxons opened league play Friday with a 21-6 win over Hawthorne.

North drove 75 and 55 yards in the first quarter for a 14-0 lead. Hawthorne was never in the ball game.

Climaxing the first drive, back Dan Hansen. He set up the score with a pair of 23 and 25 yard completions to Tim Dillard.

Right after Hawthorne punted, the Saxons scored again. Rich Creighton sprinted 27 yards for the score.

Hawthorne got six points in the third quarter when Buddy Swinfred rambled 27 yards to the end zone, but in the fourth quarter Hansen had an 11-

Mira Costa scored a fourth quarter touchdown to upset Santa Monica, 14-7, in a Bay League football game Friday night.

The Mustangs had a 7-0 halftime lead wiped out by a Samo TD in the third period.

Morningside won its fourth straight with a 30-6 humiliation of Palos Verdes. Everett Marshall scored three more touchdowns to go with eight others.

Lawndale beat St. Bernard's, 20-14, to remain unbeaten.

## Player of the Week

Walter Scott's flawless ball-handling for South High Friday night earned him "Prep Player of the Week" honors in football.

Scott was a Class C quarterback a year ago, but he has become one of the top prospects in the Bay League.

While beating Redondo Friday night, 28-13, Scott threw four touchdown passes of 29, 5, 45 and 8 yards. There were no fumbles by the Spartans. Their offensive execution was the best in four games.

As Scott emerges as a confident quarterback, the Spartans find themselves ahead of the Bay League with a 2-0 record.

## Aviation QB Scores 3 TDs At Torrance

Torrance has a passing attack, but it can't seem to win football games.

The high school Tartars lost their third non-league game to Aviation Friday night, 20-12, as Quarterback Bob Drorbaugh ran for 3 and 15 yards to touchdowns and galloped 35 yards with a Torrance fumble.

Torrance scored twice in the fourth quarter when Kim Brooks passed to Bob Fernley for 46 yards and ran one over himself from the 1 yard line.
