

New Ski Lessons To Begin

Ski classes which are currently in full swing in Torrance will begin a second session today, running through Nov. 22.

The first of five class meetings in the second session will be held at Joslyn Center where skiers will report for a ski film, fashion show, and equipment lecture. The following four lessons will be conducted from a simulated ski area.

Lessons will be given to three groups of students. Beginners will learn equipment orientation and then progress to stem turns. Intermediate students will work on beginning and advanced stem christies. Advanced students will polish their techniques on beginning parallel christies and move on to regular parallel christies.

Registration information can be attained by contacting the Joslyn Center. A \$5 fee is charged for the series.

Craft Classes

Crafts classes for children 7 to 13 years of age will meet each Saturday at the Lomita Recreation Center, 24428 Eshelman Ave. Classes meet from 11 a.m. until 12:30 p.m.

Tartar Teen Talk

By Pam Anderson

One of the oldest traditions at Torrance High School is being desecrated and disrespected. The Senior Patio, which has existed for some 20 years, holds no place of honor with the underclassmen.

The Senior Patio is an exclusive gathering place for seniors. Gifts from past senior classes are here. But the freshmen, sophomores, and juniors hold no respect for one of the most important traditions of the school.

Underclassmen make a game of running across the patio and trying not to get caught. When no one is around, the students use the patio as a short-cut.

PART OF THE Senior Patio tradition is the right of seniors to dunk the culprits in the fountain. Never before in THS history has the dunking of underclassmen by seniors been cause for reprimand by the administration. And never before has the senior fountain been turned off as a punishment to the senior class as was done this past week!

Seniors recognize the fact that excessive roughness in carrying out this punishment can result in cracked teeth or other physical harm. But the seniors least of all want something to happen, for it could only harm the senior class and the Senior Patio tradition. Never before has a previous administration forbidden seniors from dunking people in the fountain under pain of eliminating the senior fountain!

ANOTHER senior privilege which is being abused by underclassmen is the long standing tradition of seniors leaving assemblies and rallies first. All underclassmen are expected to remain in their seats until all seniors are three quarters of the way out. But do they? No!

As a senior — I feel I represent the whole senior class in saying that if underclassmen want these privileges for themselves — they must respect them for the class of '68. If they don't, senior privileges will be eliminated for everyone through their own fault.

Torrance 'Fish Fanciers' Take Top Aquarium Prizes

Three Torrance fish fanciers were among top winners at the recent Aquarium Show held at Cabrillo Beach Marine Museum, San Pedro.

Trophies and ribbons will be presented to all winners at the next meeting of the Harbor Aquarium Society Thursday at 8 p.m. in the Recreation Hall at McMasters Park.

Among those receiving trophies for best in class will be Duane Midstokke for his half barrel novelty entry and David Lundblad for best junior entry. The sweepstakes and curator's choice trophies will be presented to Al Doyle for his display of Congo Tetras.

The evening's program will also include the showing of movies and slides taken at the show.

Asian and African fish will be featured at the club's monthly showing. Varieties to be shown are Bettas, Algae Eaters, White Clouds, Glassfish, Glass Catfish, and many others.

Door prize will be a five gallon aquarium with hood.
