Industry-Education Meet Scheduled at El Camino

More than 2,000 industrial educators are expected to converge on El Camino College Friday and Saturday, Nov. 17 and 18, for the 36th annual convention of the California Industrial Education Association-Southern Section.

A new and unusual educational exhibit will be presented as part of the two-day program. The "Living School Exhibits" will place emphasis on high school programs of instruction in industrial education. The educational displays will closely follow the convention theme showing "What to Teach" as well as "How to Teach."

The annual convention dinner will be held Friday evening at the Plush Horse Inn. A vendor's exhibit made up by businessmen who sell industrial equipment and materials to schools will be held in the college Women's Gym at 3 p.m. Friday and all day Saturday.

All of the industrial education laboratories at El Camino College will be open to visitors.

And well he should! He has an insured savings account at Beverly Hills Federal Savings. It was a birthday gift from his grandmother. But he's adding to it himself and knows what he's saving for. Beverly Hills Federal is helping him, too, by adding a 5% dividend (current annual rate) compounded daily which actually becomes 5.13% when funds remain for a year.

Whether you give the child in your life a savings account at Beverly Hills Federal or encourage him to open one, it is never too early for him to learn the advantages of a regular savings program. It takes only \$1 to start one and funds are insured to \$15,000 by a permanent agency of the Federal Government. Any adult may open a savings account under The Uniform Gifts to Minors Act for the benefit of any minor regardless of relationship.

Our savings specialists will be happy to give you more details. Just stop by or phone any of our offices. Today is a good day.
