

Greg Weld To Race Sprint Car at Ascot

Greg Weld, the national sprint car point leader from Kansas City, will be on hand to defend his slim advantage in J. C. Agajanian's USAC National sprint car meet at Ascot Park Saturday night. Agajanian has corraled 10 Indianapolis 500-mile drivers for the sprint car finale.

Such local favorites as Jack McCoy, Steve Kennick, Bob Hogle, Paul Jones and Bill Wilkerson think they can put a chunk in the Indy ace's reputation.

Much interest will be focused on two of the great young race drivers in the nation, too — Bruce Walkup of Downey and Bill Vukovich, Jr. of Fresno. Walkup has gone into the championship cars in a big way and has posted fast qualifying time in two races in 1967.

Young Vukovich, who recently signed to drive a new car for Agajanian at the Speedway next Memorial Day, also has made a strong start in the big car events.

Two more prominent championship cars after enjoying success as a mid-level sprint car competitor.

He will be at the wheel of the Agajanian Rev 500 Special, a Ford-powered rear-engine machine owned and entered by J. C. Agajanian and Parnelli Jones. Vukie has great promise. Starting midway in the season, he has competed in eight events and has a fourth, fifth and sixth place finish to his credit. He is ranked 19th among the sea-

son's point leaders. One of the most successful motorcycle racing seasons ends Friday evening at Ascot Park with the running of the annual 20-lap California State Southern California annals Championship.

Robbins captured the first place trophy over some 110 other competitors. Robbins is a salesman for Fred Fredericks Realty. Other Fredericks' salesmen competing in the tournament included LeRoy Scott, Harold Ireland, and Dave McBride, who was chairman of the tournament committee. (Press-Herald Photo)
