## RONALD MORAN Cadillac

Now on Display

THE BEAUTIFUL ALL-NEW CADILLAC FOR 1968

1968 CADILLAC  
 FLEETWOOD ELDORADO

FLEETWOOD ELDORADO

Dramatic front end styling changes to Cadillac's 1968 Fleetwood Eldorado include relocation of the parking lamps to the leading edge of the front fenders and elongating the hood 4 1/2 inches to conceal a new windshield wiper system. The front-wheel-drive Eldorado is powered by Cadillac's new 472 cubic inch engine, which produces 525 foot pounds of torque—the highest of any production passenger car engine in the world.
