Four New Men Draw First Police Duty

Four Torrance area residents have been assigned to duty with the Los Angeles Police Department following graduation from a 12-week training course at the Los Angeles Police Academy. The new officers are Ronald E. Douglass, Robert M. Hutton, Russell W. Nelsen, and John W. Rose. Douglass, a native of the Southland, was graduated from Gardena High School. He and his wife, Leslie, are parents of a daughter. Nelsen has been assigned to the 77th Street Division. Rose, also a native of Southern California, is a graduate from Torrance High School. He is married and has been assigned to the Venice Division. Hutton, a graduate of Redondo Union High School, has been assigned to the University Division. He is married and has been assigned to the 77th Street Division.

TRW Gets Contract for Auto Inspection Study

A \$130,000 contract has been awarded to TRW, Inc., to study the possibility of automated diagnostic systems for automobile vehicle safety inspection. The nine-month study contract was awarded by the National Highway Safety Bureau of the U. S. Department of Transportation and will be conducted by the TRW Systems Group in Redondo Beach. The requirement for periodic automobile safety inspection arises from the National Highway Safety Act of 1966 which requires each state to have a highway safety program including motor vehicle safety inspection.

Publisher Heads Road Commission

Capitol News Service SACRAMENTO—Abraham Kofman, Alameda County publisher, has been elected chairman of the California Highway Commission. Kofman, publisher of the San Leandro Morning News, Alameda Star-Times and Fremont News-Register, succeeds Gordon C. Luce. Luce is administrator of the transportation agency and, until a new law took effect Nov. 8, was automatically chairman. However, the law removed the administrator from the commission, with the commission to elect its own chairman.

Kofman has been a member of the highway commission since 1961 and was vice chairman in 1964 and 1966 of the commission, with only one member, William Whitehurst, Fresno, having been appointed before 1966. Whitehurst was named in 1963. The commission, which is unsalaried, has full authority for adoption of highway and freeway routing and budgetary control for construction and maintenance of highways in California. In October, the commission adopted a budget for 1968-69 of more than \$1 billion.

Members of Bank Club Get Checks

Security First National Bank will pay out \$672,000 this month to its 3,348 Christmas Club savers in the Torrance area. Saving checks were mailed Wednesday to give club members an opportunity for early holiday shopping. The checks also provide funds for other year-end expenses such as those for winter vacations, entertainment, and tax payments. Throughout Southern California there are approximately 125,000 Christmas Club members with Security Bank. Collectively, they will receive nearly \$23 million this month.
