## RONALD MORAN Cadillac

*Now on Display*

THE BEAUTIFUL ALL-NEW CADILLAC FOR 1968  
**1968 CADILLAC FLEETWOOD ELDORADO**

FLEETWOOD ELDORADO

Dramatic front end styling changes to Cadillac's 1968 Fleetwood Eldorado include relocation of the parking lamps to the leading edge of the front fenders and elongating the hood 1/2 inches to conceal a new windshield wiper system. The front-wheel-drive Eldorado is powered by Cadillac's new 472 cubic inch engine, which produces 525 foot pounds of torque—the highest of any production passenger car engine in the world.
