

# Temple Menorah to Seat New Officers Saturday

Temple Menorah will observe its 21st anniversary Saturday evening when newly elected officers are installed in ceremonies to be held at the Temple, 1101 Camino Real, Redondo Beach. Clarke M. Kates will be installed for his second term as president of the congregation. Kates, a Torrance resident, has been a member of Temple Menorah since 1960. Temple Menorah was founded in 1946 by a small group of Jewish families. Today, more than 350 families are members of the Temple. Members of the board of directors who will serve with Kates include: Joe Weiss, first vice president; Robert Feldman, second vice president; Mark Reichard, third vice president; Myes Alpert, treasurer; Henry Levine, financial secretary; and Mrs. Bobbie Kessler and Mrs. Ernest Neu, secretaries. Bernard Spanier will be master of ceremonies for the evening and Rabbi Jerome Unger, spiritual leader of the congregation, will offer the invocation and preside over the installation of new officers. A social hour will be held from 7 until 8 p.m. and dinner will be served at 8. Music will be provided by The Tempos.

because  
*unless you are at Home Savings you are not receiving all this:*

1. **MAXIMUM PROTECTION.** Maintaining a perfect safety record since 1889, Home Savings today has resources far above those of any other association in the nation. Assets are now over Two Billion, Two Hundred Million Dollars. Actual Dollar Reserves are over 100 times the average. What is equally important, Home is the most efficient large financial institution...of any kind...in America.
  2. **MAXIMUM INSURANCE.** Accounts at Home are insured to \$15,000 by the Federal Savings and Loan Insurance Corporation, a permanent agency of the United States Government.
  3. **MAXIMUM INTEREST.** Home was the first to pay you 5 1/4% on regular savings. (You actually earn 5.39% when our current annual rate is Compounded Daily for a year.) Some others now match this rate...but no one pays more...most associations in the nation pay less...banks pay only 4% on the same type of accounts.
  4. **PORTAL-TO-PORTAL PAY.** You earn interest from the day savings are received, paid at the end of the quarter. You earn interest to the day savings are withdrawn, after three months, also paid at end of the quarter.
  5. **UNLIMITED LOAN FUNDS.** Home always has money available for loans on well-located, well-maintained residential real estate.
  6. **MAXIMUM SERVICE.** Home has more Southern California offices to serve you than any other association.

7. **YOU GROW WITH HOME.** You succeed with success. During 1966, while financial institutions all over the nation were having "tight money" problems, Home Savings had its greatest growth in history, with 376,417 new savers and \$304,878,972.51 in new savings. At present Home guards 90,023 accounts of \$10,000 or more (an increase of 21,023 during 1966), with individual accounts to a million dollars.
