To: Miss Lonelyhearts
Los Angeles, California

Dear Miss Lonelyhearts:

"I am a confused Auto Dealer who has fallen in love. It all started when I fell in love with the 1966 Ramblers and ordered too many of them. "Now that the 1967 Ramblers are rolling in, I am surrounded with over 70 of last year's models.

"My problem is that I am getting a lot of offers that are far below my cost—should I accept?"

Very truly yours,
A. J. Ortale

Dear Troubled Auto Dealer:
"In romance as well as in selling cars, make the best deal you can—it's LATER THAN YOU THINK."
