

Exams for Deputies Scheduled

A special one-day testing program has been scheduled Saturday in an effort to recruit some 250 new deputies. Sheriff Peter J. Pitchess said today.

Written tests will be scored as soon as they have been completed and successful candidates will be given an oral interview the same day, the sheriff said.

The position is open to men and women who are between 21 and 35 years of age and who meet the prescribed physical requirements. The beginning salary is \$641 per month and an advance to \$677 is given after six months on the job.

Applicants should apply at 8:45 a.m. in room 493 of the Hall of Administration, 222 N. Grand Ave., Los Angeles. Additional information may be obtained by calling the sheriff's personnel bureau.

Films of Australia Scheduled

Ted Warren, pilot, author, and world traveler, will be the guest speaker tomorrow at the South Bay Hangar Session.

Warren will show films made while he and his wife, Helen, were touring through Australia. The Warrens traveled more than 31,000 miles throughout the continent.

South Bay Hangar Session will meet at 8 p.m. tomorrow at the Torrance Recreation Center.

Warne Gets Post With N.Y. Firm

SACRAMENTO (CNS) — William E. Warne, state director of water resources under Governor Edmund G. Brown, has become a member of the Development and Resources Corporation of New York.

Warne will serve as a consultant in water resources for the firm, which carries out resource development programs throughout the world.
