

Two Boys Win Rank Of Eagle

Two Torrance youths this week were elevated to the rank of Eagle Scout by the South Bay District of Boy Scouts of America.

Lothar William Deil, 14, and John Stephen Vargo, 13, have received the Eagle badge.

Jay R. Stroh, El Segundo police chief and South Bay district committeeman, said.

Deil is a member of Troop 248. A freshman at West High School, he is the son of Mr. and Mrs. I. Deil of 21721 Marjorie St.

Vargo, the son of Mr. and Mrs. Joseph Vargo of 4920 Vanderhill Road, is a member of Troop 586. He is in the eighth grade at Calle Mayor Elementary School.

Find Your Envelope, He Says

If you have an envelope around the house from the March of Dimes, fill it with dimes, dollars, checks, or money orders and mail it.

Evelle J. Younger, Los Angeles district attorney and March of Dimes co-chairman, said today.

"The March of Dimes is waging a new battle today in the field of health," Younger said, "and as the war against polio was won, so will birth defects be conquered if residents continue their support of the March of Dimes."

Many mail donations have been received at March of Dimes headquarters, Younger said, but many hundreds of others have been overlooked. He urged residents to find their March of Dimes envelope and mail it today.

Fred's Life Is Full Of Ups and Downs

Life has been having its ups and downs for Fred Estep, painter at the Los Angeles County Fair.

Or you might say Estep has been leading a high life—high in the air, that is. For the past few weeks his assignment has been painting the huge light standards that provide overhead illumination for the exposition grounds.

Fifteen of the standards tower 100 feet in the air. Part of the up trip is made in a basket on the extension ladder truck. The rest of the way is a climbing operation for Estep.

In addition to the big standards, there are nearly a hundred smaller ones reaching from 35 to 60 feet. Each one is receiving an aluminum chrome finish.

When Estep returns to routine ground or building painting it will be a drab existence for him. The high life's got him.

Trustees Set Meeting Here

The South Bay Trustees and Administrators Association will meet tomorrow at Arnold Elementary School, 4100 W. 227th St. The meeting is being hosted by members of the Torrance Board of Education.

Assemblymen Lawrence E. Townsend (D-67th District) and Vincent Thomas (D-68th District) and State Senator Robert S. Stevens (R-25th District) will discuss pending legislation which may affect schools.

SHE IS WEARING GLASSES

Contact lenses have come a long way since they were first introduced to the human eye.

Now—so comfortable, so undetectable—contact lenses are for just about anybody. Whatever your reason for being interested, come in and see what science has done about contact lenses to make them wonderful to wear. Come in for a no-obligation demonstration. 32 years in Harbor area.
