

Two Held For Theft Of Wheel

Two men were arrested on suspicion of burglary early Sunday morning after Torrance police observed their car double-parked in the 5200 block of Scott Street.

Don Leonard Rockafellor, 19, of 5108 Spencer St., and Robert Wayne Pierce, 21, of 4726 Carmelynn St., were booked at the Torrance City Jail about 4:30 a.m.

Police said they first saw Rockafellor sitting in a car in front of 5210 Scott St. with the engine running and the lights off. They said Pierce came out of the front yard at 5210 Scott St. and got in the car.

Police pulled the car to the side of the road. They found a new tire and wheel which is believed to have been stolen.

Congratulations to Queen Mary Boughen and King Alan Brown who were chosen by the senior class to reign at the 1967 Senior Prom, "Le Soir d'Or." Other members of the prom court who were announced at a pep rally last week are: Dede Dyer and R. Lee Miller, Peggy Pettinato and Scott Triplett, Sue Pescar and Brian Lynn, and Debi Lifton and Gregg Strayer.

Parents will be back in school again as THS hosts its annual open house tonight at 7:30 p.m. Demonstrations and exhibits of varied kinds will be available to parents.

Congratulations to Torrance High's marching band, led by

Jim St. Amour, which took third place in this year's South Bay Boy Scout parade. Band members marched the streets of Torrance every morning for two weeks prior to the parade. Other schools had better watch out when Armed Forces Day parade comes because the band has promised to take all the honors at this last parade of the season.

THE SECOND annual Achievement Awards Banquet to honor outstanding students in 21 areas will be held May 11. Those chosen for recognition must have achieved a high degree of excellence in

their particular field and have maintained average or better success in all other areas of endeavor.

Students will be selected on the basis of educational goals, resourcefulness and drive, capability to succeed, responsibility, and enthusiastic school spirit.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.

In one hemorrhoid case after another, "very striking improvement" was reported and verified by a doctor's observations. Pain was relieved promptly. And, while gently relieving pain, actual reduction or retraction (shrinking) took place.

And most amazing of all — this improvement was maintained in cases where a doctor's observations were continued over a period of many months! In fact, results were so thorough that sufferers were able to make such astonishing state-

ments as "Piles have ceased to be a problem!" And among these sufferers were a very wide variety of hemorrhoid conditions, some of 10 to 20 years' standing.

All this, without the use of narcotics, anesthetics or astringents of any kind. The secret is a new healing substance (Bio-Dyne®) — the discovery of a world-famous research institution. Already, Bio-Dyne is in wide use for healing injured tissue on all parts of the body.

This new healing substance is offered in suppository or ointment form called Preparation H®. Ask for individually sealed convenient Preparation H Suppositories or Preparation H Ointment with special applicator. Preparation H is sold at all drug counters.
