Symphony to Offer Music Scholarships

Five \$100 cash scholarships for young music students will be offered this year by the South Bay-Torrance Civic Symphony, according to Miss Elyse Aehle, conductor of the orchestra.

Winners will be honored as soloists during a Youth Concert scheduled as part of a two-week Spanish Festival of the Arts to be held April 21 through May 3.

The festival is being sponsored by the orchestra and the Torrance Recreation Department.

THREE OF THE scholarships will honor Viola Niland, former secretary of the symphony board. Funds for the three grants has been donated in her memory during the past two years.

The Niland scholarships will be given to a student in the

sixth grade, a student in the seventh grade, and to a student in the eighth grade. All are for piano students.

A fourth grant will honor George Hiltz, former librarian of the symphony. The \$100 award is earmarked for a high school student who plays the trombone, trumpet, or French horn.

THE FIFTH scholarship will be presented by Miss Aehle to a high school student who plays the violin.

Students competing for the scholarships will be allowed to choose their own selection. Each number must be classical and played from memory. Students will be allowed three minutes for the performance.

Applications should be sent to the South Bay-Torrance Civic Symphony, 1617 Via

Montemar, Palos Verdes Estates 90274.

LETTERS OF application should contain the following information: name, address, telephone number, grade and school, and names of teachers and the amount of time spent with each one. In addition, the title and composer of the music selected by the student should be included. A \$1 registration fee is required.

Improvement in Carson Area Due

Improvement of Dolores and 220th streets near their intersection is scheduled to get under way this week.

Work will consist of widening the pavement with asphalt concrete to join the curb and gutter recently constructed under county permit by the owners of the adjacent properties.

Heppell is a native of Canada and a major in the Royal Canadian Army.

In addition to his motion picture, radio and public relations experience qualifies him to speak on British Columbia.

This program is sponsored by the Torrance Recreation Department.
