

United Jewish Welfare To Launch 1968 Drive

Volunteers from the South Bay division of the United Jewish Welfare Fund will launch their 1968 campaign at 8 p.m. Sunday at a dessert meeting in the Gold Room of Temple Menorah, 1101 El Camino Real, Redondo Beach.

Leonard Goldhammer, assistant director of the UJWF, supported Community Relations Committee, will discuss a few of the health and welfare services supported by the campaign.

Guest speaker will be Ehud Yonay, editor of an Israeli student newspaper and a political science major at UCLA.

"Children of the Exodus," a documentary film, will complete the program, according to division chairman Dr. Robert Laxineta and Jerome Sokolski of Palos Verdes Estates, and Sidney Greene of Torrance.

Mrs. Maurice Barnett of Palos Verdes Estates serves as division secretary.

Western Avenue Baptists Expand Worship Schedule

The Rev. Jack Hurse, pastor of Western Avenue Baptist Church, Harbor City, has announced that his church will hold two Sunday morning services beginning Palm Sunday, April 7.

The first of the two morning worship services will be held from 9:30 to 10:30 a.m. Nursery through sixth grade Sunday School classes will also be offered at this time. The second worship service, and Sunday School classes for those 12 years of age and older, are scheduled from 11 a.m. to 12:05 p.m.

Advance commitments for exhibit space at the 1968 Los Angeles Home Show are double those reported last year at the same time, according to managing director Carl F. Kraatz.

CHURCH PLAY . . . Rehearsing for the Biblical yet contemporary drama "Eyes Upon the Cross" are members of the Wesley Players who will present the play Friday and Saturday, April 5 and 6, 8 p.m., in the Riviera Methodist Church, Redondo Beach. URBAN RENEWAL (SLUM CLEARANCE)

The city of Torrance used its own property to help qualify for federal funds for urban renewal!

All of the structures in the 23600 block of Madison Street and all of the structures on the east side of the 23600 block of Ward Street are city property. They were purchased with funds from an airport bond issue and a federal grant of matching funds for aid to airports. They were supposed to be demolished to establish a clear zone for the original airport runway.

Instead, these structures have been allowed to stand, deteriorate, and become a blighted area. This had a very detrimental effect on adjacent property. In other words, city-owned property was the start of slums in Torrance.

In addition to this, the city of Torrance placed a moratorium on all building, all repairs, all remodeling, even on demolition in the area—a move designed to assure that the city-bred slum would continue to develop—downward.
