

Trackmen In 118-0 Victory

A rarity occurred in high school sports Friday when West High scored a 118-0 track and field victory over Lennox High in Pioneer League competition.

To accomplish the effort the Warriors took first, second and third place in 12 events and swept the 440 and mile relays.

The most prominent efforts of the day were Ron Johnson's 4:26.9 mile and Dennis Hudson's 53'5" shot put.

In six meets this year the varsity, B and C teams have swept a total of 18 victories without defeat.

Against Lennox the Bees won 57-57 and the Cees won, 73-22.

West High Stays In Baseball Race

Palos Verdes, West and El Segundo are staging a frustrating fight for first place in the Pioneer League baseball race.

By beating Lawndale 6-5 and 10-3 in two games this week, Palos Verdes maintained a 6-1 record, but on the heels of the Seakings are West and El Segundo with 5-2 records.

Coach Max Lomas' West Warriors downed Lennox, 2-0 and 4-2 while El Segundo conquered Aviation, 3-2 and 6-2.

Glen Males pitched the 2-0 shutout for West. He gave up only one hit and had six strikeouts. Chris Fredericks pushed a squeeze bunt to score Skip Hogue for one run and Mike Davis scored Sal Falcone with a double.

The Warriors scored four runs in the top of the seventh inning for their 4-2 win Friday.

Hogue singled with the bases loaded to break the shutout and Davis singled home the winning runs.

PEEWEE ICE HOCKEY

National Finals Set Today at Olympic

The United States National Pee Wee Ice Hockey Tournament finals will be held today in Torrance. Ice hockey players between 10 and 12 years of age will establish a national champion for the first time in California.

First and second round games were played yesterday at Pickwick Ice Arena in Burbank. Third and final round games will be played at the Olympic Ice Arena in Torrance from 11 a.m. to conclusion today.

Entries are from Minnesota, Illinois, Michigan, New York, Massachusetts, Washington and California.

Host team is the Greater Los Angeles Pee Wee All-Stars, composed of local boys. All entries must be state or regional champions. The tournament

is under the sponsorship of the Amateur Hockey Association of the United States, a national organization, sponsoring ice hockey for boys.

A program to provide organized ice hockey for boys was established 10 years ago. Today it includes players from the age of four through 20 in separate age classifications.

More than 60 teams with a membership in excess of 800 players are participating in organized ice hockey in Southern California. National recognition of local interest in the sport has been achieved because of the successful tours local teams have had in the eastern states and Canada. Ten ice arenas in the area are currently supporting the ice hockey program for boys.

CITATION... Honoring Duck Dowell for 20 years of coaching basketball at Pepperdine College is County Supervisor Kenneth Hahn. With them is Mrs. Dowell. The coach recently retired.

Two Events Slated Today At Ascot Park

More than one hundred drivers will battle at Gardena's Ascot Park Sunday at 2:15 p.m. and 7:30 p.m.

Sunday night's championship card will be held on Ascot's half-mile clay oval track, while the afternoon program is slated for the quarter-mile circuit.

Heading the large field will be "Roarin'" Oren Prosser of Redondo, winner of the last super stock car program at Ascot. He will be joined by veteran driver Eddie Gray of Gardena, three-time NASCAR Pacific Coast late model champion, and Ray Johnstone of San Bernardino.

Hike Asked For Licenses

SACRAMENTO—Assemblyman Bill Greene, D-Los Angeles, has introduced bills in the assembly calling for substantial boosts in the costs of hunting and fishing licenses and providing all the new revenue would go into the state's general fund, rather than into the fish and game preservation fund.

At present, fish and game license fees go into a special fund which may be used for only those purposes. Under federal regulations, states may not receive federal moneys if there is not this guarantee that hunting and fishing license fees are not kept separate.

Greene's bill, AB1411, would increase the basic fishing license from \$3 to \$5 and the basic hunting license from \$4 to \$6. The cost of the two stamps required for fishing for warmwater fish and trout would be boosted from \$2 to \$3.50. Deer tags would increase from \$2 to \$3.50, bear tags up from \$1 to \$2 and pheasant tags up from \$2 to \$3.50.

For the all-around hunter and fisherman, who fishes for all species and hunts deer, pheasant and bear, the annual fee charges would increase from the present \$14 to \$22.50, or nearly 100 percent. It also would create a new type of resident fishing license—good for any type of fish for seven days—for \$7.

Another bill, AB1410, would permit all the new revenue to go into the state's general fund and a proposed amendment to the constitution, ACA41, would permit fish and game license funds to be used for general purposes of the state.

Desiderio Scores 1-0 Shutout Win

A single in the bottom of the seventh inning by Bob Webber brought home the only run of the game as Bishop Montgomery blanked St. Monica's, 1-0, in a Camino Real League game Thursday.

Webber's second hit of the game followed a walk to Craig Smith and a single by Pitcher Chuck Desiderio.

Desiderio gave up three hits and one walk while striking out 13 batters.

St. Bernard's is in first place with a 7-1 record. The Vikings won their sixth shutout Friday with a 1-0 win over Crespi.

Granatelli

Federal Judge William E. Steckler rejected Friday a plea of Studebaker's STP Division to order the U.S. Auto Club to restore its 1967 rules on turbine cars.

He also refused to issue an order restoring USAC membership to STP and its president, Andy Granatelli, but he strongly recommended that they get together and resume racing relationships.

Hollypark To Start Campaign

Seventeen of the nation's fastest sprinters, including five from the barn of trainer Buster Millerick, have been nominated to the 28th running of the \$25,000 added Premiere Handicap, the opening program of the 1968 Hollypark meeting next Tuesday.

The six-furlong Premiere, Hollypark's traditional inaugural feature, will be the first of 50 stakes offered during the Inglewood season. Approximately \$1,875,000 is expected to be distributed in added money competition.

Millerick, who tried, but missed on four occasions to win the Premiere with the late California champion, Native Diver, nominated five of the 17 eligibles. The quintet is topped by Decourcy Graham's Kinsin George, who was voted sprinter of the meeting at the 1967 Hollypark Session.

Kinsin George, winner in 10 of his 11 career starts at the 6-furlong distance, is fresh from a victory in the \$21,500 Albany Handicap at Golden Gate Fields. That victory, a three-quarter length win over Poona Khan in 1:10 2/5 over a good track, was the chestnut flyer's fifth stakes triumph.
