## CHECK YOUR CLOCK, YOUR CALENDAR, AND THEN CHECK YOUR VACATION PLANS!

You probably spend too much on motel bills and high cost restaurants — right? Add all of this up, and you could use this amount for a down payment on a complete recreation outfit. Then, it's available for next year, too. Now, how about those other 50 weekends? Fishing Time, Camping - Hunting - Snow Season. You can think of a lot of reasons (and excuses) to get the family out for a weekend trek. Your own private motel on wheels is ready and waiting when you need it, year after year.

(No Reservations Needed)
