

'New Left' Infiltrator Will Speak at Church

David Emerson Gumaer, a young man chosen by one of America's major metropolitan police departments to infiltrate and report on subversive activities within the "New Left" movement, will speak tonight, Wednesday, at 8 p.m. in St. Andrew Presbyterian Church Fellowship Hall, Pacific Coast Highway at Avenue D, Redondo Beach. The public is invited.

Gumaer's topic will be "Demonstrations, Draft Dodging, Riots: Legitimate Protest or Planned Subversion from the Campus?"

For two years, Gumaer posed as a dedicated member of what he calls the Communist youth apparatus—the campus-based W.E.B. DuBois Clubs. Furthermore, he says, that after being accepted as a fellow revolutionary, he suc-

cessfully worked his way into the high level, national staff meetings of the DuBois Clubs, and in fact, worked in their national office in Chicago.

According to Dave Gumaer, his investigation revealed a massive plot to recruit America's youth into a subversive movement aimed at the ultimate overthrow of our government. Gumaer maintains that the New Left is a versatile and frequently violent youth-oriented movement that came into being shortly after the new Youth Commission of the Community Party was set up in 1959.

This program is one in a continuing series of lectures sponsored by TACT Committee. The local members of the TACT Committee are Wayne McFarland, Derck Gordon, John Kopeck, Ron Wright, and L. Warner.
