

## Tartar Teen Talk

By Pam Anderson

Congratulations to the winners of the recent class elections for the fall semester of 1968. In the junior class they were: Kevin McNally, president; LuAnn Schultz, vice president; Carmen Ricarte, secretary; Annette Villar, treasurer; Lynette Burlew, Girls' League representative; Phyllis Yancy, Girls' Court representative; and Tom Somers, Boys' Court representative.

In the sophomore class the winners were: Lisa Stanley, president; Dave Dillard, vice president; Wendy Triplitt, secretary; Diane Leon, treasurer; Janis Goettlich, Girls' League representative; Pat Edlin, Girls' Court representative; and Tom Sears, Boys' Court representative.

Heading the class of '70 will be Leah Shirejian, president; Chris Masaki, vice president; Candi Fernly, secretary; Jane Wilvers, treasurer; Teri Schultz, Girls' Court representative; Debbie Haun, Girls' League representative; and Don Studebaker, Boys' Court representative.

THE FIRST of the senior activities, the senior prom, was judged a complete success by all who attended the affair. This is the first dinner-dance THS has ever hosted and it was a wonderful way to start the evening. The Keith Williams orchestra provided the music for the dance held at the Airport Marina Hotel. The 1968 prom court was presented later in the evening and then the "Back Porch Majority" topped off the night with a hour full of great folk music. This was definitely the best prom ever. Just ask any senior!

The rest of the senior activities are fast approaching. Here is a calendar for the remainder of the year. May 22, Disneyland all-night party; tickets go on sale, May 31, senior awards assembly; June 3, 4, 5, final exams; June 6, check out of all classes; June 7, Baccalaureate rehearsal; June 9, 3 p.m., Baccalaureate; June 10, senior picnic at the YWCA; June 11, graduation rehearsal and the senior luncheon; June 12, graduation rehearsal, commencement exercises at 8 p.m. and the all-night party at Disneyland.

Diplomas will be picked up at school on the following Friday, June 14. Yearbooks will be distributed at the senior picnic.

## WARRIOR TRAILS

By Robin Newcomer

Warriors at the grand premier of "West High Through a Square Eye," presented by the faculty of Warriorsville, will be looking at their teachers differently for quite a while now.

The talent show, which every faculty member participated in, either by service or by acting, was held in the gym, which was filled almost to capacity. No sooner had the one and a half hour show begun than the audience was already laughing while attempting to pick out various teachers, who at times, were difficult to recognize in their crazy garb.

Teachers, the audience realized, are very much aware of the various opinions students have. Playing upon the characteristic that they are remembered for, ten teachers took part in a class of '68 decided to replace "Teachers We Have Known and Loved" sequence.

ANOTHER highlight in the evening of humor was a Dating Game, complete with the prize which no one can do

without—a trip to Disneyland on the bus with the seniors! Although the whole show was enthusiastically received by the entire audience, the grand finale will be a topic of conversation for a long time. Dressed in pink costumes, complete with leotards, the men's physical education department performed in a ballet before the astonished, laughing crowd.

Unfortunately the 90 minutes passed quickly but the show will probably become an annual affair. The proceeds from the "1968 Laugh Out" will be used for scholarships and charities.

AFTER FOUR years of high school, when one reaches the status of a senior, the special activities and recognition are looked forward to with anticipation. This year at West the senior playday held on the practice field with something which students had more enthusiasm for. Although a "Ditch Day," where the class would go to the beach or a park, was suggested as a replacement, it was felt by our overseers that this would not be successful.

An annual signing party is now scheduled instead of the traditional playday. However, students are not completely satisfied with the arrangements and a "Ditch Day" has not been forgotten. Perhaps this special type of day is not an unreasonable request other schools have had very memorable times.

Unfortunately it is too close to June to plan one now, but when next year's committee begins to plan activities it should not be put aside. To do so only brings student discontent with the activities which have required a lot of time and work from many people.

Trails End!
