Largest TV Screen To Be Used

For those people who can't make it in person to the Indianapolis 500-miler on May 30, the next biggest picture will be at the Los Angeles Sports Arena for the closed-circuit TV showing of the world's biggest auto race.

The 33 drivers, with Joe Leonard on the pole in the turbine, will start rolling at 9 a.m. Pacific Coast Daylight time.

The Los Angeles Sports Arena will have a huge 30 by

40 foot screen, the nation's largest. The latest sound equipment will be used to make for the best possible picture and sound.

Motorcycle Twin Bill Is Slated

A twin bill of motorcycle racing is scheduled over the big Memorial weekend holiday at Ascot Park. The flat-track cycles will roll Friday and the steeplechasers on Saturday.

There will be the first appearance of the dune buggies Saturday evening. The dune buggies will race over the regular steeplechase motorcycle course.

Dan Haaby, who dominated the early portion of the flat-track campaign at Ascot, will be back from his Eastern swing to try to pick up where he left off. Haaby, the Lawndale dynamo, also will take a crack at the steeplechase card.

Skip Van Leeuwen, Sherman Oaks, has been virtually unbeatable in recent steeplechases at Ascot. He again figures as the man to beat. But he should get a tussle from the likes of Jack Simmons, Compton; Gene Romero, San Luis Obispo; Dick Hammer, Lakewood; and Eddie Mulder, Burbank.

DeWayne Keeter, Gardena; Shorty Seabourne, Lawndale; Romero, Chuck Jones, Arcadia; and Phil Todd, Ventura, will tangle with Haaby Friday.

Quarantine Placed on Mussels

Mussels are unfit for human consumption in California coastal waters from now until October 31, County Health Officer, Dr. G. A. Heidebreder warned today.

He said the yearly quarantine of mussels is necessary to protect people from the highly toxic poison present in shellfish during the summer and fall months.

Dr. Heidebreder reported that issuance of the quarantine is made by the State Department of Public Health.

Under this quarantine, mussels may be used as bait but must be broken open and placed in containers plainly marked in large print: "Mussels may contain poison. Unfit for human food."

Dr. Heidebreder advised that claims should be cleaned and washed thoroughly and that all dark parts (where poison concentrates during the quarantine period) should be discarded. Only the white meat should be eaten. In addition, claims should be taken from areas which are free of sewage contamination.

2 Titles Won by Metros

East Los Angeles and Long Beach reign as the track and baseball capitals of California junior college sports after scoring impressive victories in state tournaments over the weekend.

In the golf tournament at Santa Maria, El Camino finished second, one stroke back of San Jose, which won with 761.

In the state track and field meet at Modesto on Saturday, the victorious East Los Angeles contingent rolled up 49 points for first place.

Long Beach, so powerful it didn't even need to employ its ace pitcher Darryl Thomas, eased by Sacramento, 2-1, at Blair Field behind the pitching of Leon Hooten on Friday. Saturday's game was a rout. Coach Joe Hicks started freshman Tim Brady in the championship contest and the Vikes romped, 7-0.

East Los Angeles' Dan Moore was named athlete of the meet at Modesto. He won the 220 in 21.0, ran 9.5 in placing second in the 100, and ran two relay legs. Teammate Monty Turner won the 440 in 47.8.

Bakersfield's Steve Wilson pulled off the meet's shocker when he hurled the discus 179-9—the mark winning the even by more than 7 feet. The other first-place winner from the Metropolitan Conference was Long Beach's Sam Gipsen, who won the triple jump with a leap of 49-11½. In team scoring, Bakersfield placed eighth and Long Beach 12th with 21 and 17 points, respectively.
