The Glenn E. Thomas Story
59 YEARS OF INTEGRITY

In business as in life, it is never easy to maintain the policies of reliability, truth, honor and integrity. For over a half a century, through earthquakes, depressions and recessions, this dealership survived and is now one of the oldest in the nation. We believe in the basic golden rule . . . Treat our customers the way we like to be treated whenever we spend our money. Our entire store uses this basic principle as a guide and we are now among the top selling Dodge dealerships of more than 3,000 in the U.S. What better assurance could you ask for? We feel the 1968 Dodge is the most "honest" machine on the road, and no one can sell you on for less money than Glenn E. Thomas. You auto buy Dodge now, here!
