BABE RUTH LEAGUE TO PLAY AT ALONDRA

North Torrance Babe Ruth League, removed from Gunser Park, has been given permission to play its 1968 baseball program at Alondra Park, a facility operated by the Los Angeles County Parks and Recreation Commission.

The cost of providing adequate fencing for Gun-ser Park prompted the City of Torrance to refuse Babe Ruth renewal of a permit to use the grounds. The city's concern over the use of the ball dia-mond was the number of baseballs hit out of the park

Wood, a pre-law college sophomore who lives in Bloomfield Hills, Mich., is the current U.S. champion.

The Michigan skater trailed Schwarz by 14.2 points at the end of the compulsories and that was too much to overcome since the school figures count 60 per cent

in the final judging. But he made only one slight mistake, landing badly on one of his jumps, and had a fair chance of grabbing the gold medal until Schwarz came on the ice with his superb routine.

World champion Emmerich Danzer of Austria scored higher free skating marks than either Schwarz or Wood but his compulsory figures had been poor and

he wound up holding fourth place.

The Camino Real League basketball title was won by Bishop Montgomery High School for the second year Friday night. Montgomery finished the

1968 season with a 9-1 record The Knights were unbeaten during the '67 season.

A closing night 80-42 win over Murphy by Montgomery prevented St. Bernard's from sharing any part of the chamionship.

St. Bernard's finished with an 8-2 after winning for the second time against Fermin Lasuen, 66-53.

Had Montgomery and St Bernard's both finished with Bernard's both Hinished with 8-2 records, the tie would have been fragmentary as the result of Bishop's twin vic-tories over the Vikings. Coach Dave Benedaret of Montgomery used 16 players against Murphy. His team piled up an 18-3 lead in the first quarter. The score went to 38-13 at halftime. The game was played at Murphy.
