HERE'S WHY YOU SHOULD BUY AT VEL'S

Our used car manufacturing plant includes the latest and most modern equipment including two dynamometers. We do used car conditioning under strict quality control in a factory assembly line basis. We have our own Firestone Tire distributorship. There are no finer used cars available at any price. We employ these methods to guarantee your complete satisfaction.

PRESS-HERALD AUTOMOBILE DEALERS HAVE THE CAR THAT YOU DESIRE. SHOP THESE PAGES!

We'll sell you either one.

You may have heard that Volvos last an average of 11 years in Sweden. We can't say that these Volvos will last that long. They're both new cars, and it's still too early to tell.

What we can say is that they're built like Volvos. And while there's no guarantee how long a Volvo will last in America, it is known that over 95% of all those registered here in the past 11 years are still on the road.

Come in and test-drive a new Volvo 142 or 144. But do it soon. Because the one place Volvos never last very long is in our showroom.
