Las Vecinas to Hear Recipe for Happiness

"Today is your wonderful day!" This is the text and the message of Gwyn Tilford, dynamic Oklahoma radio and television personality and professional speaker, who will deliver her recipe for happiness, health and the good things of life at the March 14 meeting of the Las Vecinas Women's Club. "Perhaps you can't see the good around you at the present moment . . . but it's there, if you believe it is . . . your life is a result of what you think," says Mrs. Tilford.

Using her background in salesmanship and a vivacious personality, Gwyn Tilford has motivated legislators, clergymen, educators, office workers and students to see life as a challenge to be enjoyed and as a chance to realize the potential for success that each individual possesses. "Happiness is not something you wait for to come to you . . . simply think happy and you attract the 'good life' that you so desire . . . by your attitude, by your thinking."

Mrs. Tilford is well-known in Oklahoma where she has been Women's Editor for television station KOTV and has hosted her own "Open Mike" radio show. She has spoken professionally for chambers of commerce, sales meetings and seminars, schools, churches, state conventions and civic affairs. Her record, "Today Is Your Wonderful Day," has brought her message to many other groups.

The Las Vecinas meeting will begin at 12 noon at the Palos Verdes Country Club.
