

'Mail For Servicemen' Pamphlet Is Available

An illustrated pamphlet—"Mail for Servicemen"—outlining the expanded program for airlifting letters, packages and other military mail overseas at low postal rates is now available through Torrance Post Office window clerks, Postmaster Carl L. Backlund has announced.

The eight-page pamphlet illustrates three services for airlifting parcels at rates the average family can afford, the speedy service now available for newspapers and news magazines to most overseas bases, the special rates for books and similar educational materials, and how to mail sound-recorded personal messages.

The guide also provides parcel wrapping instructions, information on the time it takes parcels to reach Vietnam and other overseas bases from major American cities, and pointers on the correct

way to address military mail. A family sending a 10-pound package to Vietnam, for example, pays only \$2.20 on a package marked "PAL," while the air parcel rate for the same package is \$5.23, Postmaster Backlund said.
